SUPERDUPER MAD

"Superduperman II" was just as good as your first "Superduperman" — unfortunately.

No Name

I thought your "Superduperman II" was great! But, then again, I like skid row.

Quick! Somebody sue MAD before "Superduperman III" starts into being!

Michael Tvarox

I liked your cover with Superman in his underwear. But why didn't you have him in Superman Undies?

Brian Scott
Overland Park, KS

I liked the little pig that Mort Drucker drew in the third panel of "Superduperman II". The only problem is the pig had Hebrew letters on its backside and I don't read Hebrew. Any idea what the letters spelled?

Mary Whiting
Richmond, VA

We don't know, but whatever it is we're betting it isn't "kosher." —Ed.

One of your readers said "Superduperman" was super-duper, man! Well, I think "Superduperman II" was super-duper, man, too!

EQUAL TIME

I am sick and tired of my sister, Cathy, getting all the exposure in MAD. First it was her baby picture in issue #43, and then her wedding picture in issue #225. What's next—her dental x-rays?? Here's my baby and wedding pictures. I demand equal time! (P.S. Cathy was right about one thing: Getting your picture on the Letters Page is definitely the only real advantage to being the publisher's daughter!)

"MALE CALL"

This is the second letter I have sent to you requesting that you stop using the name "Bruce" as one for guys, handshakes, interior decorators, etc. (You obviously "lost" my first letter.) For a while, I thought you had stopped. Then along came issue #226, page 34.

MORE "MISTAKES"

You missed two very obvious errors in your "How Many Mistakes Can You Find In This Picture?": 1) The electrical system is working perfectly; 2) No one is trying to sneak a friend through a side exit.

"OUR PLEDGE"

In "Our Pledge" of issue #226 Dick DeBartolo left out an important promise: "We promise to give you so much ice in your cup that there won't be any room left for soda."

Eric Hymowitz
Spring Valley, NY

How about a MAD writers' pledge: "We promise to show some imagination when recycling old jokes and material."

Dave Witt

"STARCHIE BONKER'S PLACE" OR A CHRISTMAS CAROL O'CONNER

ARTIST: MORT DRUCKER WRITER: ARNIE KOEN

Nahhh... It ain't
nuttin' like that!
I just wanna tell
you you've been a
great Housekeeper
an' a terrific help
in my ever since
Edict passed away!

That's
IT!!?
You—
you really
mean—
it?!

Hey, it's Christmas
time! The Lord said,
"Good Will Toward
All Men"! I guess
He meant toward all
WOMEN... an' I guess
He meant toward your
COLOREDS, too!!

Boy, there's
nothing like
a depressed
WIDOWER to
give a lift
to a comedy
series...!!

Why don't
you go down
to your Bar
so the Happy
Hour can
start, Uncle
Starchie?

There
AIN'T
no
Happy
Hour at
my Bar!

I know...!
But if you
GO, the
Happy Hour
can start
HERE!!

Nahh, I'm gonna
hit the sack!
G'night... an'
Merry Christmas,
Starchie! (yawn!)
Merry Christmas,
Mrs. Campy...!

Starchieeee!
Starchieeee
Bankerrrrrrr!

I am the Ghost
of Ratings Past!

Don't you know me?
I'm Norman Lear
... the CREATOR!!

Almost! I'm the Creator
of your TV Series...!

What's that??
Geez, who in
heck are YOU?

Cut that out!!
There ain't
no such thing
as ghosts!

The CREATOR??
You mean you're
ALMIGHTY GOD??

What do
you want
with
ME??

Well, for
openers...
MORE
LAUGHS!!

I am the first of
the Spirits that
will visit you
tonight! We are
here to show you
the error of your
ways, SitCom-wise!

Why pick on me?
Why don't you go
haunt Tim Conway
or Dick Van Dyke?
They each had 3 or
4 shows that went
into the crapper!

You were a pioneer, Starchie! You
brought subjects into the living
room that were never MENTIONED
before! Remember such episodes as
"Edict Has Menopause," "Meathead
Has A Vasectomy," "Gloria Poses
In The Nude"? Remember this one:
"A Visit From A Transvestite"??

Yeah,
I re-
member
that!
She
was
quite
a guy!

Those shows went
through the roof!
NOW you have
episodes like
"Starchie Helps
Steppie With Her
Science Homework"
They sound like
weak "Ozzie and
Harriet" reruns!

Aw, lay off,
huh! Times
change, an'
people change!
I'm ten years
older! Can't
a character
ripen and
mellow...?!

A cantaloupe is allowed to ripen and
mellow! A STAR of a series pulling
\$140,000 an episode has to keep on
being a SIDE-SPLITTING FUNNY BIGOT!

Geez! You Hebe
producers are
all alike! All
you think about
is money!!

NOW we're get-
ting someplace!
THAT'S the old
Starchie Bonker
America loved!!

See! THAT got laughs!

Sure! With a laugh track!
WE never resorted to a
laugh track on OUR show!
We always did it before
a LIVE studio audience!

You'd I remember!
We had the redneck
lunatic fringe and
the KKK in the
first 25 rows, and
the Pinko-Liberals
in the balcony!

Starchieeee Bonkerrrrr
... you jive turkeyyy!

Aww, chee whiz! Now I
got me COLORED Ghosts!
That's ALL I need ...
integrated nightmares!

I am
the
Ghost
of
Bigotry
Past!

I'm joining the Ghost of Ratings
Past and the Ghost of Laughs Past
to frighten you into changing your
ways ... or should I say "SPOOK"
you into changing your ways ...!

YOU said it! I didn't ...!

That's the point, Bunker!
YOU used to say things
like that! You were the
King of the Racial Shurf!
You heaped abuse on Japs,
Kikes, Krauts, Polaks,
Dagos, Chinks, Fags

... and
you called
a Spade a
Spade! I
loved it!!

You DID!!

Sure! It brought
bigotry into the
open, it brought
stark realism to
television, and
mainly it brought
me my own success!

Now come with me down
Bigotry Lane! Remember
THIS classic, "A Visit
From Sammy Davis, Jr.?"

Do you know
WHY that
scene was
so popular?

Sure! It had some-
thing for everyone
... the Blacks, the
Jews and the Queers!

Right! And that kiss
climaxed a show where
you played a hilarious
-bigot! The ethnic in-
sults kept on coming
... and the laughs
kept on coming, too!

You ghosts are all missin'
the point of my new show!
We like to blend a smile
AND a tear! Y'know what
they say ... "Behind every
comedian is a sad man!"

Yes, and in
YOUR case,
that sad
man is the
President
of CBS! So
long, Honky!

Starchieeee
Bonkerrrrr ...

Well, at least
it's a WHITE
guy scarin' the
pajama pants
off me now!

I am the
Ghost of
Ratings
Future!
My Name
is A.B.
Neelss!

Neelss?
I know!
You're
the TV
Ratings
Service
guy!

Right! And
since 46% of
MAD Readers
don't know
what we're
talking about,
let's skip to
the next panel!

DON MARTIN LOOKS AT

TARZAN'S "JANE"

There are two things that can make you sick at a supermarket check-out counter: One is the price of the food you just bought and the other is the cover of the "National Enquirer." However, recently, the "Enquirer" has been besieged by law suits brought by angry celebrities over alleged untrue, libelous gossip items and slanderous articles. So what's a successful sensationalistic tabloid to do to avoid further litigation and stay in business? What else?! Pull in its horns, tone down its rhetoric, lighten up its content and clean up its act! And when that happens, we can happily expect the "Enquirer" to look something like this:

THE 1981 NIGHT BEFORE CHRISTMAS

OR
A final visit from St. Nicholas

'Twas the night before Christmas, and one thing was clear—
That old yuletide spirit no longer was here;
Inflation was rising; the crime rate was tripling;
The fuel bills were up, and our mortgage was crippling;

I opened a beer as I watched the TV,
Where Donny sang "O Holy Night" to Marie;
The kids were in bed, getting sleep like they should;
Or else they were stoned, which was almost as good.

ARTIST: HARRY NORTH

WRITER: FRANK JACOBS

While ma with her ball-point was making a fuss
'Bout folks we'd send cards to who'd sent none to us;
"Those ingrates," she thundered, and pounded her fist;
"Next year you can bet they'll be crossed off our list!"

When out in the yard came a deafening blare;
'Twas our burglar alarm, and I hollered, "Who's there?"
I turned on the searchlight, which lit up the night,
And, armed with my handgun, beheld a strange sight. 19

Some red-suited clown with a white beard immense
Was caught in our eight-foot electrified fence;
He called out, "I'm Santa! I bring you no malice!"
Said I, "If you're Santa, I'm Telly Savalas!"

But, lo, as his presence grew clearer to me,
I saw in the glare that it just might be he!
I called off our doberman clawing his sleigh
And, frisking him twice, said, "I think he's okay."

I led him inside where he slumped in a chair,
And he poured out the following tale of despair:
"On Christmas eves past I was jolly and chuckling,
But now 'neath the pressures, I fear I am buckling."

"You'll note I've arrived with no reindeer this year,
And without them, my sleigh is much harder to steer;
Although I would like to continue to use them,
The wildlife officials believe I abuse them."

"To add to my problem, Ralph Nader dropped by
And told me my sleigh was unsafe in the sky;
I now must wear seatbelts, despite my objections,
And bring in the sleigh twice a year for inspections."

"Last April my workers came forth with demands,
And I soon had a general strike on my hands;
I couldn't afford to pay unionized elves,
So the missus and I did the work by ourselves."

And then, later on, came additional trouble—
An avalanche left my fine workshop in rubble;
My Allstate insurance was worthless, because
They had shrewdly slipped in a "no avalanche" clause.

"And after that came an I.R.S. audit;
The government claimed I was out to defraud it;
They finally nailed me for 65 grand,
Which I paid through the sale of my house and my land."

"And yet I persist, though it gives me a scare
Flying blind through the blanket of smog in the air;
Not to mention the hunters who fill me with dread,
Taking shots at my sleigh as I pass overhead!"

"My torn-up red suit, and these bruises and swellings,
I got fighting muggers in multiple dwellings.
And if you should ask why I'm glowing tonight,
It's from flying too close to a nuclear site."

He rose from his chair and he heaved a great sigh,
And I couldn't help notice a tear in his eye;
"I've tried," he declared, "to reverse each defeat,
But I fear that today I've become obsolete."

He slumped out the door and returned to his sleigh,
And these last words he spoke as he went on his way:
"No longer can I do the job that's required;
If anyone asks, just say, 'Santa's retired!'"

Yecch! These SPIDERS! I can't STAND 'em! Get 'em OFF! They're driving me CRAZY!!

That guy is NUTS!! There ARE no spiders on HIHO!

That's right! The RATS eat them all up! And then the SNAKES eat up the RATS!!

The spiders are getting inside my Space Suit!! I GOTTA LET 'EM OUT . . . !!

My God! He's going INSANE! He's cutting a HOLE in his Space Suit . . . !

I CAN'T LOOK! The sudden PRESSURE DROP made his entire body EXPLODE! What an ugly, gory MESS!!

That's nothing! Wait until you see what he looks like after Shiephard, the General Manager, gets hold of him! You know how violent Shiephard gets when a guy wrecks company property!

UTLANDISH

Don't be so glum! I know you hate this place, but it's only for a year! C'mon... cheer up! Tonight, I'll take you out for Chinese Food!

The nearest Chinese Restaurant is 237,000 miles from here....

So we'll ORDER OUT... and have them send it!

We DID that six months ago with "Chicken Delight"! And we're still waiting for it to get here!!

Marshall, this is Monotone! Nothing new on that incident yesterday! Looks like some guy went whacked! We're shipping the remains out on the next shuttle to the Station!

Do we have a spare coffin aboard?

Who needs a coffin? We're shipping him out of here in 70 little "Baggies"!

ARTIST: ANGELO TORRES

WRITER: DICK DE BARTOLO

You may be the new Marshall here, but I'm the old General Manager here! So let me tell you something! My men work hard, they play hard, they drink hard, they dance hard, they eat hard and they sleep hard! Do I make myself clear?

Well... I'm NOT hard of hearing, Shlephard! Thanks for the hard sell! But if you get in my way, I'll give you a hard time!! Do I make MYSELF clear!

Hardly...!!

THE BUCKS STOP HERE

Did you SEE THAT...?? Some worker just walked into the air lock without putting on a Space Suit!! He EXPLODED into a billion pieces!!

I SAW IT!! sob-sob! Oh, my God, I SAW IT ALL...!!

You're so upset, you must be his BEST FRIEND!!

No... I'm the JANITOR! I have to CLEAN UP this mess!

What IS it with guys like you?? If you're such a big Super-Cop, what are you doing HERE? The Company didn't send you here as a REWARD for your services!

They just send you from ONE dump to ANOTHER!! What do you really hope to get for all your trouble, anyway?

Back to Earth!

The ULTIMATE DUMP! I know something!! You're WEIRD!

I just found Monotone dead! Did he say anything before he died...?

Yes, he said, "Arrrggggh...yaggggh." But seriously, he left this message: "Food Locker!" Seems pretty strange to me he'd be thinking about food while being strangled with a wire.

Who asked your opinion?

Up yours.

Here I am in the Food Locker... and I'm being strangled!

The WIRE he's using doesn't bother me in the least!!

Thank God my Wife left me a bunch of those shirts with the over-starched collars!!

Oooff! Ughhh! It's times like that I wish I were an ACCOUNTANT instead of—Uhh!—a Drug Dealer!

SPLAT!

Shepherd... guess what I found in the Food Locker! A shipment of your DRUGS! I flushed them down the toilet!!

That's gonna cost you two and a half million bucks!

Is THAT how much the drug shipment was WORTH...???

No, that's how much it's gonna cost to get a Plumber here from Earth to unclog the toilet!!

Are there any new messages for me?

Yes. And are you in trouble. Your goose is really cooked. You're up the creek without—

Just give me my messages, wise aleck!

Shepherd called a guy named Bullies at the Space Station. He's sending two men on the next shuttle to kill you, and no one on Hilo is going to help you. Have a nice day. Ha ha ha.

Attention... the shuttle from the Space Station will arrive early!!

It figures! For years, the shuttle always arrives late! But the one with my KILLERS arrives EARLY!!

However... the luggage missed this flight and will arrive on the next one—in six months!

Which of the passengers coming off the shuttle are my two killers ?

The two carrying the guns and all the ammunition through Customs, clodi!

I'm HIT! Boy, those killers have sophisticated weapons! I've never seen bullets go around corners before!

Here, let me help you ...!

Did you bring bandages ... ?

No, but I brought a Doctor's note asking that you be excused from future gunfights!

That won't work! Seal off all the exits but one! I'm going outside for a little air!

Well, if you MUST know, I'm going outside to continue the chase! The audience has SEEN all the interior sets! Now they'll get to see the exterior sets!

There's no air on this planetoid!!

You know what happens when you depressurize a corridor, and the killer inside isn't wearing a Space Suit?! He explodes! It's the ultimate inflated ego ...!

Hah! Now, I've pulled the same stunt on the other killer! Except that I got him to shoot at me from inside the Greenhouse ... causing the entire place to suddenly depressurize!

See \$%&*+! And I always thought that vegetables were GOOD for ... my ... hee-hee!

I can't believe it! Now that the fight with the killers is over, Duffard comes to my rescue!

Not only is he late, but he has the strangest way of helping! He's shooting at ME!!

Hang on, folks! This is the last fight! It HAS to be! This solar power unit is also the LAST SET!

Carrot and Pail, I have good news for you! My work on HiHo is finished! As you view this, I am already on my way to the Space Station to join you on the long trip back to Earth!

William, I have good news for you! Pail and I have talked it over and we're sorry we left you on HiHo! As you view this, we are already on our way back to join you there!

I really could have prevented this idiotic foul-up, you know ... but computers have to have some fun once in a while, too.

Hatred . . . Bigotry . . . Prejudice . . . These are only some of the catchwords that have immortalized America through the years. But, like everything else in our fast-moving society, these are not words that stand still. They have a vitality of their own, and are ever-changing with the times. To show you what we mean, here is . . .

A MAD LOOK AT DISCRIMINATION

ARTIST: GEORGE WOODBRIDGE

WRITER: LARRY SIEGEL

Once upon a time, things were relatively simple in this country. White People were in charge of Government, Wealth and Comfort . . .

. . . while Black People were in charge of Disease, Poverty, Misery and Degradation.

Down South, Blacks were relegated to the back of the bus, while in Los Angeles, Chicanos were relegated to the back of the world . . .

As for the plight of the American Indian, the less said about that, the better . . .

But prejudice wasn't limited to one's skin color . . .

Yep . . . things were relatively simple. Rotten, but simple! Then, in 1954, an important thing happened: The Supreme Court outlawed school segregation . . .

In time, barriers were broken and things got better for minority groups. They began moving into areas of American cities where minorities had never lived before . . .

And, of course, Guys weren't treated too well either.

Then, along came great champions of Civil Rights . . . like Martin Luther King, who led his people in demonstrations.

And the exodus continued. Then, one day not too long ago, a strange thing occurred. Some White families started moving into the big cities instead of out . . .

But life was difficult for the immigrants to the New World. The younger ones especially suffered.

Betty Lou was very excited about seeing her old friends again, and when the bus arrived down in Georgia for her first day of school, she could hardly wait to get off.

This often led to cruel surprises for many White students.

Many of the young immigrants were homesick for life in the Old Country, but there was nothing they could do about it. Until one day, when a School Principal had wonderful news.

After several years of playing Musical Buses, many students finally graduated from High School. Some went to see Counselors about entering college...

Unable to get into College, many White graduates looked for jobs instead. Some tried local banks.

Meanwhile, in Hollywood, another form of "Reverse Discrimination" was taking place at the studios . . .

Not only were the "color lines" completely broken down, but in the world of Gays, it was a whole new ball game.

And thanks to the Women's Lib movement, the picture was changing for females as well . . .

So, as things turned out, one of the most oppressed American citizens became the White Anglo-Saxon male. Many of them gave up, got spaced out, moved to California and became beach bums.

Then, in 1981, a new President took office, and a new feeling of morality and righteousness swept over the country . . .

And "Reverse-Reverse Discrimination" began . . .

YOUR MAD HOROSCOPE

TODAY'S BIRTHDAY:

Your birthday was last month, schmuck! Ask your mother for the full story!

ARIES

March 21—April 19

Dramatic developments! Some strong astrological forces clash—leaving your Moon Over Miami. Don't worry! This is not a Blue Moon, so you will bask in a magnificent Moonglow as Moonlight Becomes You. If any part of this horoscope confuses you, consult one of your parents or a friendly cocktail-hour piano player.

MOON CHILDREN

June 22—July 22

A funny day. A washed-up comic in the Catskills is planning a big comeback at your expense. His words carry great weight, as does your blind date this evening. A small change in personnel where you work greatly improves conditions for everyone involved. In other words, you're getting the ax sometime this morning.

LIBRA

September 23—October 23

Financial strains preoccupy you, but it's the neglected physical strain that could leave you with a hideous limp. Thoroughly test a new love before falling for him or her head-over-heels. (Use either a True-or-False or Multiple Choice format. Essay questions never work right and will take you much longer to grade.)

CAPRICORN

December 22—January 19

Personal sacrifices for a child will bring you instant fame and financial gains. Then again, so probably would your sacrificing of a child! Appealing offers are not what they seem, so be prepared for a letdown when a current love finally lets you put your hand in her blouse. A horrible disease arises at school.

TAURUS

April 20—May 20

Romantic entanglements can pose some problems so lay off the S&M for awhile. Focus on career matters, making sure your finger is not in front of the lens. The PM is an excellent time for love, so make sure you have an extra \$50 tucked in your wallet should the opportunity arise. (Put the rest of your cash in your shoe.)

LEO

July 23—August 22

Your stars point to a new cycle and it's a beauty!—a bright red 10-speeder! Unfortunately, one of the foot pedals is missing, as are the screws for the hand brakes. Until these parts are ordered, it's back to riding the bus. Take heart! Make the most of your current success. Incredible as it may seem, you've peaked.

SCORPIO

October 24—November 21

As you enter a new cycle, the stars are promising you an intense romance with a Leo. Normally, you would be compatible. In this case, however, the stars are referring to Leo Flogs—the town drunk and a suspected carrier of malaria and mail. Your idea spells profit. What is unknown is how do you spell relief?

AQUARIUS

January 20—February 18

Some astral forces are playing tug-of-war with you now, so next time you buy a shirt, be sure to get a longer sleeve length. Work while others play, and you will grab the brass ring. You can either wear it on your pinky, or sell it for scrap. Cut through red tape. However, please do not fold, spindle or mutilate it.

GEMINI

May 21—June 21

The Big Dipper and the Little Dipper are jointly sending you messages. They're doing this to cut down on postage and handling charges which, as you know, are astronomical. The stars warn you that things at home are not what they appear. Beware especially of a Colonial-style sofa, a five speed blender or a bearded child.

VIRGO

August 23—September 22

A troubling day. A piece of poultry is not as dead as you think, and is just waiting for you to open that refrigerator door. A business deal may take you out of town, but only a blind idiot would take you out to dinner! You refuse to think about anything but "the present". Buy him a shirt, and get it over with!

SAGITTARIUS

November 22—December 21

Your moon is in the House of Representatives, where undercover FBI men are secretly filming its acceptance of a bribe. You have private wishes and opinions that are best left unvoiced as they are disgusting and depraved. A surprise promotion comes when a co-worker takes a leave of absence to give birth to your child.

PISCES

February 19—March 20

An indecisive attitude on the part of someone you rely on for advice could get you into real trouble. Then again, it may not. Work keeps you from family affairs and family affairs keep you from work. Just what exactly you do all day remains one of life's great unsolved mysteries.

10¢ BATTERIES

Back in the 1930's, kids loved those Saturday matinee "Movie Serials" in which the hero battled against incredible odds and miraculously survived one threat to his life after another—and always just in the nick of time. There was an art to making those marvelous old "Chapters" . . . and it was only a matter of time before someone would revive the "cliff-hanger" gimmick in a modern full-length feature. That's why we call the Producers of this recent box-office-smash-hit thriller . . .

Hi! I'm Inbanana Jones! Half the time, I'm a mild-mannered Professor, teaching Archeology in a small college! The other half of the time, I wear a leather jacket, pack a revolver and a bull whip, and KILL people! I'm very respected . . . and I'm also very confused!

I'm Inbanana's girl-friend, Marylin! I run a sleazy Bar in Nepal, and I can drink any yak-herder under the table! I've got an awful temper, and I can punch out a drunk with a right that's a beauty! Inbanana likes me because I'm so feminine!

I am Bollie . . . a dirty, devious French Archeologist! I plot against Inbanana and try to woo away his girl friend with deception and champagne! In the U.S.A., this makes me a VILLAIN! In France, this is NORMAL BEHAVIOR!

I am Professor Mucus Crony . . . Jones's colleague at the college! I am so incredibly dull that I don't appear in any outdoor scenes for fear I might be mistaken for a sand dune!

I am Toad, your normal everyday sadistic Gestapo agent! My cruelty is unspeakable! But then . . . so are most of my lines!

I am Salaam, an Arab who digs for ancient artifacts . . . not oil . . . which should tell you just how unbelievable this film is!

RAIDERS

of a
LOST ART

ARTIST: JACK DAVIS WRITER: DICK DE BARTOLO & FRANK JACOBI

A South American Jungle—1936

This lost Inca temple is really incredible, isn't it? The floors sink under your feet, and the walls move ...!

Construction Contractors weren't much better 3000 years ago than they are today!

There it is ... the Golden Idol of the Incas ... exactly where all those tales we heard said it would be!

Then it wasn't just IDOL GOSSIP!

Listen, this is a mission to find primitive ART ... not primitive HUMOR!

My traitorous guide is dead, this huge boulder is crashing down on me, President Roosevelt can't get his new law passed in Congress and Joe DiMaggio went 0 for 4 against the Tigers! Boy, talk about your rough days in 1936!

I'll take that idol, Inbanana ...!

Damn it, Anita! I nearly get trapped in the temple, my guide tries to kill me, I escape poison darts and booby traps of all kinds ... and you take the idol ... just like that!

What do you mean, "just like that"? Do you know how long I've been standing out here in the hot sun, waiting for you?!

A North American Jungle—1937

I'm sorry to interrupt your flirting, Professor Jones ... but some important people are here to see you! Excuse yourself from class for a few months!

Jones, we're from Army Intelligence!

Gee, I didn't think those two words went together!

We've heard a great deal about you, Jones! You're a top Archeologist, an expert on the occult, an obtainer of rare artifacts, and ... judging by your last remark ... a wise-ass!

Yesterday, we interceded a German communique which revealed that the Nazis have been trying to get certain religious artifacts for the past two years!

They've been doing it for two years, and you only found out about it YESTERDAY! No wonder this country is in such trouble!!

The Nazis are digging beneath the old city of Tanis!

Tanis??? So that's Hitler's game! In one stroke, he can rule the world! His racket will pay off!!

I get it! He'll win the Tanis game with one stroke of his racket!!

No, idiot!! They're looking for the Ark of the Covenant! You've heard of the Ark of the Covenant, haven't you?

Sure! It was built by Noah and filled with animals so when the flood came—

Not THAT Ark, Dumbol I mean, the Ark that contains the original Ten Commandments that God gave to Moses!!

Welcome Aboard Pan Am Flight 27 for Nepal! For your information, the smoking section is from the Nazi spy, forward! The no-smoking section is from the cute Good-Guy American, back! Enjoy your flight and all the up-coming intrigue!!

This is your Captain speaking! I apologize for the five-minute delay in take-off! I also regret that we will be three minutes late arriving in Hawaii and six minutes late into Manila!!

Undependable as usual! And I sure hate being crowded 24 to a planet! Maybe in 40 years or so, they'll get their act together!

Nepal —

Uh... Hello, Marryin! You remember me??

Inbanana Jones... you dirty #@%&+*%!!

Hey, you DO remember me!! I need that medallion your father left you! I'll pay you \$2000 for it!

I should give you a valuable medallion... after the way you left me? Do you think you can mend a broken heart with \$2000??

I'll make it \$3000!!

It's amazing how fast the human heart can mend! Come back tomorrow with \$5000... when it's totally healed!!

Good evening, Frau-lein! I am Toad... the disgusting evil Nazi from the opening splash panel... What do you want???

I want the same thing that Mr. Inbanana wanted! You want swearing and a punch in the mouth??

Lady, I'm here to torture you! It's not the other way around!!

One Big Fight Later—

Cairo, Egypt—

I've got a tough decision to make! If I free you, they'll know I'm here and I'll blow my chance of finding the Ark! But if I leave you here, you may be tortured and killed!!

Are you just going to stand there, you big, stupid klutz!! Try cutting these ropes without amputating my hands, you boob, and—

Maybe it's not such a tough decision to make after all!

See you around, kuddo...!!

Later That Night—

I would very much like to see you in this dress, my dear! It belongs to someone very close to me!

Your wife... or your girlfriend?

My Commanding Officer! It gets lonely in the desert!

Now Toad wants to torture you, but I won't let him! I am a cultured Frenchman, and I will convince you to cooperate through gifts of clothes and champagne...!

You call that rag a DRESS!! You call this slop CHAMPAGNE? Puh!!

Ready whenever YOU are, Toad!

We've uncovered The Hell of Holes... the resting-place of the Ark! The lightning and thunder overhead means that God is letting everyone know...!

Yeah! So I SEE!!

Oh, NO!! That room is filled with ugly SNAKES! I HATE snakes!!

That means YOU must go in...!

HOW do you figure THAT...?

A man must FACE the things he's most afraid of! I'm afraid of butterflies! If that room was filled with butterflies, then I would have to go in! It's an ancient custom I just made up!

Well... if it isn't Inbanana Jones...! What are you doing down in that hole?

Mostly shivering and shaking! It's full of snakes!

I see it's also full of something else! Thank you for finding the Ark for us!

You mean to tell me that you're taking the Ark and leaving me here with nothing???

Do you think I'm THAT insensitive?!

Throw the girl down there WITH him!!

How are we going to get out of here?

Through that wall! There are snakes coming in through it! That means it leads to the outside!

That doesn't make any sense! Snakes don't climb walls and push themselves through mortar!

You know that, and I know that, and the snakes know that! But the WALL doesn't know that! We're going to fool the wall! Quiet! Walls have ears, y'know!

Sir, the Flying Wing just took off ...!

What? It couldn't have! The Ark isn't aboard yet!

Sir, it took off in three thousand pieces!!

It must be Inbanana Jones! Put the Ark on a truck and get it out of here! And if you want to save yourself some aggravation, wreck the truck before Inbanana does!

The Nazis are carting the Ark off in a TRUCK!!

I've got to go after it!!

But you've no transportation!

I'll think of something!

GIDDYAP ... !!

Jones is singlehandedly attacking a truck containing 18 of our best Nazi soldiers! I must call Berlin immediately!

No, to notify the soldiers' next of kin!

When Jones starts killing, look out!

Why? To notify Hitler??

THAT's for your Wagnerian Operall!

THAT's for inventing the Volkswagengut!

THAT's for killing Custer!!

But the INDIANS killed Custer!!

Possibly, but who's gonna take the word of a Nazi over a History Professor?

Now that we're safely aboard this freighter, I can say what I feel: I love you! I worship you! I never want to be away from you ...!

Jones, when you finish kissing your bull-whip, how about paying some attention to me??
