THE MAD COMPUTER PROGRAM

I can't believe I programmed the whole thing!!

Heather Marsh
Harvest, AL

Enclosed is our printout of Alfred's incredibly beautiful face. It gave us hours of enjoyment to punch in the data on our IBM compatible computer at work. Unfortunately, our bosses were not as happy as we were, and therefore we are asking you to please consider us for a job at your magazine!

Marjorie Blumer
Tina Dunlop
Charles Billings
Newton, MA

Sorry, but we already have enough goof-offs on our staff—Ed.

Yes, It Does Work!

Being a nice Apple IIc computer, I would appreciate it if you could refrain from publishing any more computer programs. My user spent almost two hours typing your stupid program into me. This has made me quite ill! If you print more programs, he will continue to abuse me.

Apple IIc
programmed by Tyler Faloon
Mequon, WI

MORE COMPUTER PROGRAM

After entering your program, my computer began to fizzle, crack, smoke, and spark. Then it blew up. The entire system costs \$2,000 + tax. Who do I bill?

Ben Youngdahl
Sioux Falls, SD

All matters such as this must be handled in person at our customer service office in Backtoash, South Korea!—Ed.

I'm an IBM PC user. After bribing my sister to type in all the DATA statements, I added these two lines:

95 PAINT (154,77),2

96 PAINT (200,30),1,2

One line paints Alfred's hair, and the other paints the MAD logo green. Try it!

Francis S. Lim
Somewhere, USA

A "GOOFIE" LETTER

Hey, in your movie satire "The Goonies" you completely left out the character Stephanie! Not only that, but you got onto Pepsi for being in the movie so much but didn't admit that MAD was too! Way to go, guys!

Jenny Walker
Panama City, FL

True, but unlike Pepsi, we didn't have to pay a bundle to get mentioned!—Ed.

MAD CELEBRITY STUPORMARKET

Your article by Charlie Kaufman, Joe Raulo and Bob Clarke, "MAD's Celebrity Supermarket" (MAD #258), inspired me to begin work on "The Usual Gang of Idiots Supermarket." It features such products as "William M. GAINES-burgers," "Lao SILVERSTONE Cookware," "Dave BERG's-Eye Frozen Vegetables," "Paul COKER-Cola," and of course, "Bob CLARKE Bars!"

Bernie Mendoza
Upper Darby, PA

You forgot "Jack ALBERT-in-a-Can" tobacco!—Ed.

"MAD's Celebrity Supermarket" had 12 items or less. You barely made it into the "ecch-spress" lane!

Rod Loet
Oklahoma City, OK

HEY, COMMODORE USERS!

Since we published the Alfred E. Neuman program, we have learned that there are several generations of the Commodore 64, each with a different "Basic Rom." If the program isn't running on your machine, first try changing the end of line 80 from (Y2-YC) to (Y2+YC). If it still doesn't run, try convincing someone to buy you a new computer!—Ed.

As everyone who has seen the movie "The Goonies" knows, the solution to the pirate map leading to the hidden treasure was inspired by Al Jaffee's Fold-Ins. Above, Mikey (Sean Astin) seems engrossed in MAD Super Special #121.

COMEDY IN ERRORS

I bought issue #258 and started in on the Alfred E. Neuman picture program. For some strange reason, mine didn't turn out quite right! Take a look at my printout. I think there is a MINOR data error somewhere!

Greg Maggioncalda
Pacifica, CA

Steven Spielberg knows how to make kids happy! He gives them what *they want most*—movies that fulfill their dreams and wishes, like *time machines*! Kids know how to make Steven Spielberg happy! They give him what *he wants most*—movie admission money that fulfills his dreams and wishes, like a *bulging bank vault*! This latest addition to his long string of smashes sure doesn't make it look too...

BLEAK

I'm Marquee, a close friend of Dr. Clown here! While helping him with his various experiments, I've been blown up, burned, buried, and almost electrocuted! What laughs! I can't wait to find out how his latest invention—a *time machine*—is going to mangle me!

I'm the wild and crazy Dr. Clown you've just heard about moments—or was it *hours ago*? I'm so involved with my *time machine* that I lose track! I've amassed a fortune in debts, but my plan is to send the bills back in time before I got my credit cards!

I'm Rugstain, Dr. Clown's dog! Unlike that idiot Marquee, I don't enjoy the abuse I endure because of these *nutty inventions*! Like this robot! Why can't Clown put dogfood in a dish like *normal people*!

I'm Deranged, Marquee's mother—and former girlfriend! If you think that's weird, imagine how it feels being worried when my son's out late on a date—with me!

Doc, isn't plutonium very expensive?

Yes, but I get 2 million miles per drop in city driving, more with time travel! Of course, your mileage may vary!

Get ready, Marquee! I'm going to send you back 30 years into the past!

Aren't you going with me, Doc?

No, I've gotta stay here and feed this parking meter 30 years worth of dimes so we can keep this spot empty for your return!

FOR THE FUTURE

I'm McShy, Marquee's father as well as a distant acquaintance! That's not so weird—lots of father and son relationships are little more than distant acquaintances!

This is it, Marquee, a machine that hits 88 MPH in 2.8 seconds! Amazing, isn't it?

Big deal! I've got a set of wheels that does four times that—my skateboard! How come you built a time machine out of a DeLorean?

Why not? John DeLorean almost did time because of this machine, so it makes perfect sense! I've sent Rugstain back in time and the experiment worked so well that I'm thinking of sending him back twice a day so I won't have to use a pooper scooper! It runs on pure plutonium...

The pooper scooper?

The time machine, I think...

ARTIST: MORT DRUCKER

WRITER: DICK DE BARTOLO

Doc Clown's time machine **does** work! Here I am on the vacant lot my parent's house will be built on in the future! I think I'll move those surveyor's markers a little so we'll have a **corner house** like they always wanted!

Hey, McShy, you sure are gullible! I get you every time with that corny "your shoelace is untied" routine!

Isn't it possible that my shoelaces are untied?

Idiot—you only wear loafers!

Hey, that guy must be my future father! He's getting put down by those bullies the same way he gets put down by mom!

Okay, Doc, just slip in some plutonium and I'll be on my way!

This is 1955! I can't get plutonium! We need some other great power source! Any ideas?

If I was wearing polyester slacks, when the legs rub...

Wait! This flyer they handed out in 1985 says lightning struck the clock tower in 1955—next Saturday night!

Lightning? Yes, that kind of voltage channeled through the flicks conveyor and you'll either be back in 1985 as a young man, or here in 1955 as a French fry!

Doc, why is this photo of my sister and brother fading?

When natural passing of time is interfered with, evolution is altered! Your siblings are the result of your parents' marriage—the slightest deviation could mean that none of you will ever be born!

But Doc, if my parents never meet, never marry, and never have kids—how can I be here?

Marquee, science has an answer for everything! Unfortunately, movies do not! So if I were you, I'd take no chances and make sure your future parents meet and get started on the "natural process!"

McShy, I saved your life, now you can save mine! I want you to marry Deranged!

But she insults me! She's cold to me! She acts as if I didn't exist!

That's perfect! It's just like you're married already!

Deranged, you promised me you would do anything I asked you to!

Yes, Marquee! I'll do anything you ask me to! And the kinkier the better!

Marry McShy!

Wow! That's even kinkier than I expected! If I do marry that creep, will that make you happy?

More than that—it'll make me possible!

Well, everything has been set in motion! I'm back in the time machine racing down Main Street toward the wire Dr. Clown has attached to the clock tower! I should make contact the second the lightning strikes and I'll be on my way to 1985!

And over there at the drug store McShy is walking hand in hand with Deranged! How cute! They're stopping to buy an ice cream soda! Oh, no! They're not! They're buying a birth control device! Boy does this look bleak for the future!

During the last hijacking of a jet liner, it was said that the airlines weren't selling tickets—they were selling chances. Which leads us to this issue's song parody—

TRAVELE

*You're travelin' through Europe,
And you're far away from home;
You board a jet in Athens
And your destination's Rome;*

*But then you hear the pilot
Once the plane is in the air—
Your flight has just been hijacked
And you're headin' Lord knows where!*

*They fly you first to Baghdad,
Then to Libya and Algiers,
And to sev'ral other places
That you've tried to miss for years;*

*You're sure that you'll be rescued
By the mighty U.S.A.;
The President's a fighter—
Well, at least he talks that way;*

*Back home you're gettin' famous
And your name's a household word;
The terrorists do better—
Ev'ry day they're seen and heard;*

*They yak it up on "Nightline"
While they put your life on hold;
They deal with "Time" and "Newsweek"
Makin' sure their story's told;*

R'S BLUES

(Sung to the tune of Glenn Frey's "Smuggler's Blues")

The terrorists take over,
And you're sure you'll soon be dead;
One's got a submachine gun,
And it's pointed at your head!
And you kind of wish this year
You'd gone to Disney World instead!

The plane is like an oven
And your clothes stick like Saran;
There's talk the Ayatollah
Hopes they'll dump you in Iran;
What's worse, you haven't showered
And you just ran out of Band!

You're glad you haven't eaten,
'Cause your lunch you'd surely lose;
It's the nature of the business—
It's the TRAV-ELER'S BLUES!

TRAV-ELER'S BLUES!

They don't care much for Christians
And they're hardly fond of Jews;
It's the terror of the '80s—
It's the TRAV-ELER'S BLUES!

TRAV-ELER'S BLUES!

They grab the biggest headlines
While they terrorize the skies,
Manipulate the networks
While another hostage dies;
There's talk they'll sell a sit-com,
"Crazy Omar and His Guys!"

Once more we're played for suckers
While they make the Nightly News;
No matter how you slice it,
It's the TRAV-ELER'S BLUES!

TRAV-ELER'S BLUES!

ONE NOT SO FINE DAY IN THE LIFE OF ARTIE CHARNEY

Okay, we admit it! The following pages of this magazine are mean, vicious, cruel, offensive, spiteful, malicious, vindictive and generally unflattering. You may ask (and then again, you may not!) why folks as classy as we are at MAD would stoop so low and print such distasteful garbage. The answer? Our readers enjoy it! So, as long as that's the case, we'll continue to vent our collective spleen (while scraping the bottom of the barrel!) and provide you with...

the MAD NASTY FILE

EDDIE MURPHY

- ...portrays Gay characters so realistically that it makes you wonder.
- ...takes pride in being a Hollywood star at 23, not realizing that Shirley Temple had completed her whole career by that age.
- ...has steadfastly refused to portray stereotype blacks—unless he gets a piece of the gross profits.

WRITER: TOM KOCH

ARNOLD SCHWARZENEGGER

- ...is an inspiration to every muscle-bound kid with no acting talent who dreams of becoming a movie star.
- ...might have become a bigger marquee idol if he'd taken a fictitious name that was more romantic—like Lance Schwarzenegger.
- ...gives each role he plays the depth of the paper they're typed on.

ARTIST: GERRY GERSTEN

TRIVIAL PURSUIT

- ...lets you spend an enjoyable evening showing a whole roomful of people just how dumb you really are.
- ...is popular with those who can name the capital of Iceland, but can't work it into normal conversations.
- ...reveals the awful truth that 50-million Americans find trivia worth pursuing.

TOM SELLECK

- ...is trying to become another Burt Reynolds without realizing that even one of them is one too many.
- ...serves as an inspiration to other "hunks" who are also unqualified to hold down a real job.
- ...is the only Hollywood star other than Telly Savalas who can engage in a brutal fistfight without getting his hair mussed.

WOODY ALLEN

- ...keeps his unique hair style by neglecting to replace the comb he lost in 1962.
- ...claims he is a typical New Yorker—which should worry the daylighters out of other New Yorkers.
- ...pioneered the field of being a wimp long before wimps were called wimps.

MCDONALD'S

- ...is noted for Chicken McNuggets, Eggs McMuffin and Parking Lot McLitter.
- ...has sold 50-billion hamburgers, for which almost a dozen head of cattle laid down their lives.
- ...offers all the ambience of eating at home—assuming your home is a crowded bus.

MARY LOU RETTON

- ...likes to date men who are taller than she is, thereby eliminating only Emmanuel Lewis and Prince William.
- ...has a set of three gleaming Olympic medals, and a set of at least 65 gleaming white teeth.
- ...is following in the footsteps of Nadia Comaneci and Olga Korbut, both of whom are now washed-up has-beens.

BOB GUCCIONE

- ...is a patriotic hero who has defended our Constitutional right to see pictures of Miss America with her clothes off.
- ...enrages feminists—and also Larry Flynt, who used to reign unchallenged as the World's Number One Sleazebag.
- ...proved to be just what Hugh Hefner needed to make himself look respectable.

PHIL DONAHUE

- ...will be a top entertainer for as long as his studio audience can keep providing the entertainment.
- ...has his hair done by the same stylist who beautified Pete Rose, Prince Valiant and Lassie.
- ...has tackled every social problem of our time except one: how to rid television of Phil Donahue.

BENNY HILL

- ...has devoted his life to disproving the old belief that Britishers have more class than Americans.
- ...would be thrown off the air if the U.S. censors could understand dirty jokes when they're told in a Cockney accent.
- ...retains the face of an innocent child while the rest of him has become a dirty old man.

BOY GEORGE

- ...seldom goes out in public because they won't let him use either restroom.
- ...offers proof of the lasting success that Tiny Tim could have enjoyed if he'd had a more creative tailor.
- ...will get a seat in a lifeboat no matter if it's women, children or men first.

AEROBIC EXERCISE

- ...may not prevent heart attack, but will assure you of being rushed to the hospital in a cute outfit.
- ...differs from calisthenics in only one way: it's popular with those who used to hate it when it was called calisthenics.
- ...lets housewives burn off the energy they used to waste ironing shirts and cooking dinner.

STATE LOTTERIES

- ...encourage big winners to appear on TV so every armed robber in the country will know what they look like and where they live.
- ...provide a convenient place to put the money that you might otherwise waste on food and rent.
- ...give you the same run for your money as a race horse that drops dead in the starting gate.

STEVEN SPIELBERG

- ...has used his creative genius to give ten-million little kids a lifetime fear of small, cuddly animals.
- ...made the only World War II movie—1941—that actually cost more than the real war.
- ...wants to see how the baby he produced with actress Amy Irving comes out before he lends his name to it.

DIANE SAWYER

- ...is the cutest reporter in the CBS News Department—with the possible exception of Andy Rooney.
- ...is considered very intelligent by the same Washington experts who once considered Walter Mondale very popular.
- ...is really Mike Wallace disguised in a wig and dress to catch interview subjects off guard.

JULIO IGLESIAS

- ...is known as the Frank Sinatra of Spain, which is sort of like being the Steve Garvey of Tibet.
- ...sings lyrics in Spanish so his American audiences won't know that he's forgotten the words.
- ...ranks third in popularity in Latino neighborhoods, right behind Fernando Valenzuela and '63 Chevies.

WHEELS

Dad, I've got a date tonight! Can I please have the car?

Why do you always have to take the car when you go out on a date?

Well, first I go to the drive-in bank for some cash... then I have to pick up my date...

...then we drive to Wally's Cafe for some burgers... then it's the drive-in movie...

...if I ever got out of the car I wouldn't know what to do!

Well, please go out with

You don't want

what a pain!

Go ahead, make your wisecracks! I'll go
into this myself! My idea is to put all
these Crummymooner episodes into a vault.
Then, 25 or 30 years from now, when TV

them and collect millions in residuals!

I have just one question.
How do you know TV will

No, I've got

TV GUIDE!

Today, whenever someone commits a crime and is caught by the Police, the scene goes something like this:

FOR THE VICTIM OF A LOUSY RESTAURANT

FOR THE VICTIM OF A GUNG-HO LITTLE LEAGUE MANAGER

All that stuff the Cop is reading is the result of *The Miranda Decision* which guarantees that criminals be advised of their rights. Which is all well and good! But what about their victims? Aren't they entitled to their rights, too? MAD feels that if petty thieves, crooks and murderers are entitled to have their rights read to them, so do us poor slobs! Which is why we propose that they immediately enact...

A "MIRANDA LAW" FOR EVERYDAY VICTIMS

ARTIST: GEORGE WOODBRIDGE WRITER: LOU SILVERSTONE

FOR THE VICTIM OF A BLIND DATE

You have a right to remain home under the guise of forgetting that you had to wash your hair tonight...!

If you give up this right, anything I say during the course of the evening can—and will be—boring, nerdy and of no interest to you!

You have a right to kill your Aunt for fixing us up, and to have other relatives present when you do... so they'll never get any other ideas about matchmaking in the future!

If you cannot afford to split the bill tonight, forget it... because there's no way I'm gonna spring for the cost of this fiasco...!

How about it? Knowing all this, you still wanna go out with me?

You have the right to know I have HERPES!!

FOR THE VICTIM OF A SLOW CHECK-OUT CLERK

You have the right to shop at a Mom & Pop store!

If you give up this right, the groceries you select can—and will—take forever to be charged up, checked out, bagged and paid for!

You have the right to limit your purchases to ten items or less and to present these items at the Express Check-out, WHEN it is operating!

If you decide to pay for the items you've purchased by check, a punch in the mouth may be provided by the guy behind you at no extra cost!!

Next, please!

(Wh... no thanks! Just browsing!)

FOR THE VICTIM OF A DISHONEST MECHANIC

You have a right to pull out of this clip joint, and try to fix your car yourself!

If you give up this right, any parts of your car we have in stock can—and will—be replaced... whether they need to be, or not!

You have a right to a free estimate—and to have that estimate present when we present our real final bill! Our boys just love a good laugh!

If you cannot afford these repairs, additional work will be done on YOUR body—at no extra cost.

Uh... thanks, but all I came in for was directions on how to get to Bayonne!

Just roll down your window and follow the stench!

FOR THE VICTIM OF AN UNCARING DOG OWNER

You have the right to stay indoors and not to try jogging, or even walking!

If you give up this right, anything you step in can—and will—be yecchy, stick to your shoes... and stink like hell!

You have a right to try an alternate route, and to have a Pooper Scooper with you during your stroll or workout!

If you cannot afford a new pair of shoes after you step into what my dog drops... tough!

Why don't you try cleaning it up?!

Are you crazy?! That stuff is... choke... disgusting!

FOR THE VICTIM OF A CROOKED POLITICIAN

You can ignore this election and not vote at all!

If you give up this right and vote for me, anything I do during my term of office can—and probably will—be in the interest of those who contributed to my campaign... not in yours!

You have the right to attempt to bribe me and to have that bribe deposited in my secret slush fund!

If you cannot afford to bribe me, there are plenty of other Special Interest Groups who will!

So... can I count on your important vote?

YES A VOTE FOR THE BEST POLITICIAN MONEY CAN BUY

No... you can count on my total apathy!

FOR THE VICTIM OF A TICKET SCALPER

You have the right to stay home instead... and listen to the Group's record!

If you give up this right, any tickets you may try to buy from me can—and will be at the highest prices ever paid... for the worst seats!

You have a right to a tourniquet (for nose bleeds) and to have a pair of field glasses present during the concert... so the performers don't look like ants!

If you cannot afford my price, the world will provide me with another sucker who will buy these tickets at possibly a higher cost!

Let's just forget it and go home!

I can let you have two seats on your front porch—cheap!

WRITER: LOU SEVERSTONE

Thanks to Madison Avenue, we Americans are accustomed to being told what deodorant to use, what car to drive, what clothes to wear and even what ointment to use for the flare-up of hemorrhoids. But at least we have a choice of products! Now we are being told by a self-appointed group what's morally and ethically right and we're not given a choice! I'm here in North Carolina with one of the leaders of this movement, Republican Senator Jesse Helmsman.

Mike, nice to see ya. I have a cigarette, a cigar, a pipe, or maybe you would prefer a chew?

Sorry, Senator, but I don't smoke! As the Surgeon General says, "Smoking is hazardous to your health!"

Well, there's no mention of that in the Bible! Ah mean, nowhere does it say, "Thou shalt not smoke!" So who you gonna listen to, some quack or God in heaven?!

Ed Badly here in Virginia at the headquarters of Rev. Jerry Wellheeled. Rev. for a man of the cloth, you certainly surround yourself with expensive goodies.

Actually, Ed, I'm a man of simple tastes. But I do like the place to look nice when I talk to God.

Didn't Jesus say that money has no place in religion?

Sure, that was all right for Him to say! What'd He have? Ten or eleven disciples?

Twelve!

Whatever! I got more P.R. guys than that!

Times have changed! When He gave the Sermon On The Mount, they didn't have TV. He didn't need a makeup man or writers or technicians! Today, everything costs! I have to buy TV time, computers, satellites, wardrobes, all kinds of stuff! But I'm doing all this for the Lord. When the Second Coming takes place, I'm going to let Him use all my facilities, including my private jet and jacuzzi, at no cost!

One thing hasn't changed. God still listens to our prayers! Why, God gave America the Atom Bomb because our scientists prayed every night!

Conservative ministers say God only listens to Christian prayers. Yet many of the men who developed America's nuclear capability were of different religious faiths.

That shows you how benevolent God is. Sometimes He even listens to the prayers of people He don't count.

This is our TV monitoring department. We check out all TV shows for sex, violence, or anything else we consider unsuitable. Then we threaten to boycott the sponsor's products.

I guess you find everything but Walt Disney objectionable.

Are you kidding? That man was a pervert! Look at the short skirt Minnie Mouse is wearing! We can't have our children exposed to that sort of pornography!

Do you think it's all right for ministers to use their pulpits to tell people how to vote?

That's not the American way. We never tell them who to vote for, we tell them who to vote against and then they can make up their own minds.

Do you believe in the separation of church and state?

Absolutely! I don't want any government auditors poking their noses in my church's financial records.

KOOKOON

WRITER: ARNIE KOGEN ARTIST: MORT DRUCKER

What are those weird looking shells?

Let's just say we're researchers for Mrs. Paul's and we're test marketing a huge new "fish stick."

Okay, I've got a boat full of wackos! But the chick is built like Raquel Welch, so who cares!

What is THAT thing?

Relax! It's only some sort of pod!

That's a relief! For a moment there I thought I passed the largest Kidney Stone on record!

Wow! I feel TERRIFIC! I suddenly feel seven minutes younger!

I feel twelve minutes younger!

If this keeps up, in a half hour we could all be OSMONDS!

I'm feeling healthy and frisky!

I'm horny as hell!

I don't believe what's happening to my body! At my age I thought only my arteries could harden!

Let's do it!

Do what?

Don't confuse me! It's been a long time!

Strut! I don't believe this!

What? That I'm romantic!! That I'm ready to hop in the sack?

That you bent your knee! You've got ARTHRITIS!

Bent! I don't like that look in your eye!

It's not my EYE you've got to worry about!

Hey, old geezers aren't the only ones that are horny! I'm gonna watch this chick take it off!

Holy #554321! When I said "take it off" I didn't mean her face!

You folks are all from another planet! You're extra-terrestrials!

That's right, Jock! We have come to retrieve some friends we left behind 10,000 years ago!

I've never seen extra-terrestrials so soft-spoken, so underplayed, so low key!

Are you afraid we'll hurt you?

Not any more! Now my biggest fear is that you'll put me to sleep! Are you sure you're not a grade adviser?

Come on, Barney, don't be so stubborn! Jump in!

No! It's wrong! I want to grow old NATURALLY!

But you'll feel like a teenager! We all do!

Being a teenager is not all that terrific. Do you guys realize you're starting to get old?

Yikes! The folks renting this place are day-glo creatures from space!

I no longer feel like a teenager. I now feel two years old!

What are you talking about?

I think I just had an "accident" in my pants!

It's all happening so fast! First the non-stop sex! Now tricycle riding, moonwalking and breakdancing!

A week ago Strut's number one activity was "Eating Binding Foods"! Now, suddenly he's Michael Jackson on uppers!

I'm worried! I wonder if Blue Cross can add a "Breakdancing" clause?!!

Mr. Finneky, I can't believe this! Your cancer is in remission and you've got the body of a twenty year old!

And HERE she is! I warned you, Moe...! Extra terrestrial involvement, yes! Extra MARITAL involvement, NO!
