HOT TV ISSUE

"Groaning Pains" was just plain
THICKENING!

Walter Crescitelli

In "The Cosby Show Nasty File" in
MAD #266 you completely forgot
Grandma Flaxtable and Sandra. What
gives?

Anthony Agneta

They are worthy of neither scorn nor
mention. In fact, we're sorry we printed your
letter.—Ed.

Your satire of "Wheel Of Fortune"

lay off him!

RUTH-ACHE

Do you realize that six, count 'em, six
pictures of Doctor Ruth appear in issue
#266? You could have combined all that
space and instead run a picture of one
person, say Dick Clark!

Christian Perry
Nepean, Canada

The reason we used Dr. Ruth six times is
because, as she always says, once is not
enough!—Ed.

IT'S A SPIES' LIFE

I was tickled to see that Antonio Pro-
bias and his notorious Spies infiltrated
the September issue of *Life Magazine*.
Now if they could get Don Martin in
there they'd be on to something!

SICK SICK SICK

I've had enough of the recent satanic
overtones present throughout your maga-
zine. Just take a look at Alfred E. New-
man, whose initials are A.E.N. Just add
the letters N,X,O,R,C,I,S,T,E,E,D,E,D
and you have the words "An Exorcist
Needed." Also, if you turn the name of
your magazine backwards you have
"DAM," which stands for "Dopey, Agnos-
tic Meanies." I am shipping you a crate
full of assorted religious pamphlets, vials
of holy water, ten versions of the Bible,
and some records by the Mormon Taber-
nacle Choir! All I ask in return is that you
redeem your ways.

Robert Boyce
Las Vegas, NV

Sure, as soon as you move from Las Vegas,
the nation's capital of sin!—Ed.

Longtime MAD writer Dick DeBartolo recently paid a visit to Regis Philbin's
Lifestyles show on the Lifetime Cable Network. Dick spoke about his
many years with MAD and showed Regis the proper way to read an issue.
Who knows where Dick will pop up next; he's a very lonely guy!

ANOTHER MAD RIP-OFF

I found this editorial cartoon in a recent copy of *The Durham Morning Herald*. It sure does look a lot like the cover of MAD #246, doesn't it?

MAD SCAVENGER

Say, dig this! I take care of the landscaping at various establishments, and they have good stuff in their dumpsters sometimes. That's where I found the MAD from which I'm sending in the subscription. It's amazing! You guys made a three-year sale as a direct result of one MAD getting thrown in the garbage!

Great! Now you'll have a steady supply to put in your trash, where your garbage-picking buddies are sure to find them and become subscribers themselves!—Ed.

MORON MAIL

I hate when my teachers take away my MADs while I'm reading them. My friend's teacher (a nun) took away his MAD, read it and started to laugh out loud. Can you believe it?

Andrew Quinn
Ontario, Canada

We have FAITH in what you say. OUR FATHER tells us that many nuns are in the HABIT of reading MAD RELIGIOUSLY, since MAD has a POPE-pourri of GOD-awful material. AMEN.—Ed.

THE HOOKY MONSTER DEPT.

Because of one of this summer's teen movies, there's a new reason to call Chicago the "Windy City": A high school con man who's full of hot air! This glib and nervy kid is full of malarkey, baloney, bull and more bull! Which is why when he plays hooky we call it a...

FEARLESS DAY

Ohh...I feel dizzy...I'm seeing spots... But please, somebody help me get up... I can't miss school today! I've got a chemistry test!

You stay right where you are, you poor baby! You're obviously too sick to go to school! Your father and I are very worried about you!

There're two things I'll never understand about this family. First, why my parents let my brother, Fearless, get away with so much! And second, how Fearless got to be so clever and smart with them for parents!!

Slow, Fearless says he's going to show us a great time today when we play hooky! Maybe he'll finally bring a smile to my face!

De quibus non disputandum est!

ARTIST: MORT DRUCKER

Can you believe my parents fell for the old "I see spots" routine? Well, I guess you can't expect much from parents who are so gullible they actually contributed money to the John DeLorean Defense Fund! Anyway, if you ever want to fake illness so you can skip school, I have three basic recommendations:

1. Flick your palms to make them seem clammy.
2. Hold your face over the toaster to simulate fever.
3. Have parents who are morons.

Fearless skipped school again today! How does he get away with it? He must be the smartest kid in the entire school!

Considering that 97% of the kids in this school are asleep most of the time, being the school's smartest kid isn't such a big deal!

S BULLER'S OFF

Don't bet on it, Cameroon! Fearless said he'd show us a good time, not perform miracles!

Grape, today's the day I, Egg Runny, Dean of Students, am finally going to outsmart Fearless Buller! Even if it means breaking the Golden Rule!

You mean not "doing unto others?"

Not that Golden Rule! The Golden Rule of High School Movies! "No adult shall have an I.Q. that's higher than his hat size!"

Do you know me? I'm the Pope! Fearless Buller convinced me that I could earn extra money for the church by doing American Express commercials. Persuasive boy Fearless. And if you don't believe me, just ask anybody on the canonization committee that's considering him for sainthood!

WRITER: DENNIS SNEE

Mrs. Buller, your son has been absent 17 times this semester! He's setting a bad example—teaching the other students anarchy and a total disregard for all rules and authority.

Well, Mr. Runny, how about if I drop by tomorrow to discuss it?

No, tomorrow's no good! I and the rest of the faculty will be on strike, picketing for a pay raise, in defiance of a court order.

NO PERSONAL CALLS!

Am I a genius or what? Convincing Runny that Slow's grandmother was doomed because all of the radioactivity from Chernobyl settled in the top of her hair!

Maybe, but I have my doubts about taking my father's prized Ferrari out for a spin in Chicago.

And I have my doubts about a guy who would bring along excess baggage like Cameroon when he could spend all day alone with his hot 16-year-old steady!

Buller,
it's Mr.
Runny!
I want
to talk
to you!

I'm afraid I don't feel
strong enough to come to
the door right now... But
if you'll come back a
little later—click—
come back a little later
—click—come back...

Gosh, maybe I
shouldn't be
so rough on
Buller. I
never knew
he had a
stuttering
problem!

I think the
Art Institute
is one of the
most fascinatin-
g places in
all of Chicago

Yeah, you really planned
a great day, Fearless!
The Art Institute, the
Commodities Exchange,
the Sears Tower, Wrigley
Field. Where to next?

The Chamber of Com-
merce! I have to pick
up my check for burn-
ing this movie into
one, long travelogue
about Chicago!

Hi honey. Listen, I'm worried about Fearless. I just called
the house and there was no answer. Do you think
something could be wrong? Oh... wait a minute, dear. There's
a big parade in the street outside and Fearless is standing
on a giant float leading a sing-along...

Yeah, not to worry! Fearless looks fine!
Hey, but wait a second! My God! Fearless's
singing sounds like Wayne Newton! That
settles it! Tomorrow he's going to the doctor!

DRINKSHOEN
DARLING,
DRINKSHOEN

Boy, this sure has
been one fun-filled
day! I can't remem-
ber another day
when I changed ex-
pressions three
different times!

Let's see. We drove all
over town, attended a Cubs
game, a museum, had a
leisurely lunch and took
part in the only parade
ever held on a school day.
Anything we didn't do?

Yeah, stop
at a
bathroom!
Ootta my
way! It's
an
emergency!

you're with Cameron!" God, is

EDICT AND WEEP DEPT.

Ever notice how strangely people behave...like saying "Thank you!" to check-out clerks in supermarkets? Ever wonder what they're thanking them for? For giving them change for their own money? For over-charging them for several items in their shopping cart? For keeping them waiting on line for twenty minutes? There are a lot of things people do that make absolutely no sense. But everyone does them because everyone ELSE does them! It's as if we're all behaving according to some "unwritten rules" of our society. Like "Don't belch in public!" or "Cover your nose when you sneeze!" Except that most of the time, these "unwritten laws" are arbitrary and silly! How silly...? Well, we'll show you how silly—as we take this MAD look at what it would be like...

A MAD PEEK BEHIND TERRORIST TR

He must face a firing squad! He took 17 flights and failed to blow up a single one!

And what was his flimsy excuse, too much conscience?

No, he said he needed the frequent traveler bonus mileage!

Remember, all bombings and raids must occur before 9 PM American Time. That way they'll be able to put their stories together for the 11 PM news!

Pay attention! This is the most important course you will take!

Will we learn how to make explosives?

No, you'll learn how to look good on American television!

What happened?

What a loss!

I told him never to kick the tires of a car loaded with explosives!

Yeah, vehicles are very hard to come by!

I heard you lost your roommate. Did he flunk out?

No, we were assigned to make a letter bomb and his was returned for insufficient postage!

We must destroy our enemies! We must chop off their arms and pull out their eyeballs! We must mutilate, kill and...

Boy, Omar sure has mellowed since his last speech!

Sir, how do we get our guns and grenades past airport security?

Don't worry, those metal detectors only pick up keys and nail clippers!

THE SCENES AT A TRAINING CAMP

ARTIST: SPENCER ARAMON

WRITER: LOUIS SHERBSTONE

Ishfahar, where are you taking that box of dirty, smelly, dung-stained rags?

To the PX. They're our shipment of new uniforms!

Who can tell me why we hijack, take hostages, blow up property and murder?

Correct!

Because ours is a religious struggle.

Okay class, if Haji has 13 hostages and Yasir has 18 hostages, how many hostages will Yasir have to kill to have the same amount as Haji?

18 minus 13 equals 5. So Yasir has to kill 5 hostages to have the same amount as Haji.

I'll need grenades, ground-to-air mortars, a machine gun, ample ammunition....

Who is Saheed talking to?

His travel agent!

You should be proud! You have been selected for the highest honor—the privilege of dying for our noble cause!

If it's such a great honor, how come none of the big shots volunteer for these suicide missions?

The Russians' weapons may be all right but their USO shows are absolutely the pits!

Hey, get that animal outta here! Someone could get hurt slipping on goat dung!

Tomorrow he's driving a truck full of explosives into a military base and today he's worried about slipping!

Yeah, the Americans get Bob Hope and Brooke Shields and we get Olga and her Magic Tractor.

FAMOUS STORIES AS TOLD

ARTIST: BOB CLARKE

Once upon a time there was an Italian-American named Don Corleone. Mr. Corleone was a successful olive oil importer. He was called Godfather because he was always being asked to be the Godfather of the children of his many friends and employees. The key to Mr. Corleone's success in business was his relationships with his customers. He made them offers they couldn't refuse. When Don Corleone died peacefully in his tomato patch, his son, Michael, inherited the family business.

During the war Michael was a marine and he received many decorations for bravery. But because he was from New York and was of Italian descent, a group of politicians accused this war hero of being involved in something called the "MAFIA." Michael, naturally, was cleared.

He sold the family olive oil business and bought several hotels in Las Vegas. Michael would like his son to go into politics because he wants to prove that any American can be elected to national office, even if his last name ends in a vowel.

The Color Purple

as told by Sen. Jesse Helms

There was this nigra family livin' in the sovereign state of Georgia. They were your typical colored folks, they was into incest and havin' illegitimate babies and puttin' on airs. For example, the husband, Mister, insisted his wife Celie call him "Mister," when we all know he shoulda been called "Boy."

The nigra women folk used to go to church on Sunday and pray to our white God, which shows you how benevolent He is. Celie's sister, Nettie, went to Africa to be a missionary, which is a fine place for colored folks to go.

Mister treated Celie like a slave, which gets me to thinkin' that maybe the nigras really didn't object to slavery at all. Too bad Lincoln didn't mind his own business. Besides beatin' on his wife, Mister had a few other good points, like he smoked tobacco and we all know that the good Lord gave us tobacco for everybody to enjoy, even blacks!

Celie got into the women's movement thing and of course, she became involved in an unnatural, disgustin' relationship which is what women's lib is all about.

Mister summed it all up by tellin' Celie, "You black, you poor, you ugly and you a woman." Shoot, I couldn't have put it better myself.

A Christmas Carol

as told by
President Reagan

Ebenezer Scrooge was a hard working businessman. He employed Bob Cratchit as a clerk. Cratchit complained constantly. He wanted "more holidays," and "more money." He was always whining about the office being "too cold," and other such nonsense. It never occurred to Cratchit to roll up his sleeves and do an honest day's work or go to night school and pull himself up by his bootstraps. No, it was easier to complain.

When Christmas time came around the Cratchit family blamed Mr. Scrooge because they couldn't afford an elaborate dinner or expensive presents for their children.

On Christmas Eve, Mr. Scrooge had a terrible nightmare. He dreamt he was visited by his dead partner, Marley, and three ghosts. These ghosts, using Marxist-Lenin propaganda techniques, made Mr. Scrooge feel guilty because he was a success and Cratchit was a failure.

Mr. Scrooge allowed his own good fortune to trickle down by buying expensive gifts for the Cratchit children. He treated them to a fancy Christmas dinner and he paid their medical bills. Even though Cratchit received a fair salary, Mr. Scrooge gave him a raise, which only added to the inflationary spiral. I know this sounds familiar, because it's the same principle as our own welfare system—something for nothing—and it just doesn't work.

Well, we can only pray that next Christmas, Mr. Scrooge will be visited by three Conservative ghosts who will show him the error of his ways.

The Pride Of The Yankees

as told by
George Steinbrenner

Yankee pride comes right from the top, the team owner. Naturally, Lou Gehrig was a ball player who knew the meaning of Yankee pride. Whether he was hurt or not, Lou played every day. He hit for average, he drove in plenty of runs and hit the long ball. Best of all, Lou's salary was less than I pay my groundskeepers today. Lou never asked to be traded or went crying to the press to complain about the owner. He was my kind of guy.

In many ways, Lou reminds me of myself. Yes, "the Boss" and "the Iron Horse" had a lot in common. Lou Gehrig and George Steinbrenner both had football backgrounds, we both wore our pinstripes with pride, we both knew what loyalty to our fans was all about and we were both proud to be Yankees—New York Yankees. I'm sure if Lou was still with us, he would be proud to be a New Jersey Yankee, if that's the way the ball happens to bounce.

I still get a lump in my throat when I think of Lou Gehrig Day. Yankee Stadium was packed and the owner didn't have to give away free bats or helmets. Now that's what I really call "Pride of the Yankees!"

the **FAR-OUT RIDE** of **EDWIN MEESE**

*Listen, dear readers, and mind this piece
On the far-out ride of Edwin Meese;
A war he declared on porn and rock;
Hardly a man could stand the shock
When his blueprint for battle he did release.*

ARTIST: GERRY GERSTEN

WRITER: FRANK JACOBS

*"The country," he shouted, "I've now rated X;
"By smut we're polluted, by filth overrun;
"I fear that our youngsters are learning of sex;
"A few, it's been rumored, have learned how it's done;
"A crisis of giant proportions we've got,
"Perverting our morals with mind-warping rot;
"It's worse than cocaine and more fiendish than pot,
"Which makes me believe it's a Communist plot!"*

*He roared as he galloped throughout ev'ry state,
"My hand I'll be raising if something's obscene;
"A glance at my fingers will signal its fate—
"One if it's banned, and two if it's clean."
A lot of his critics expressed great dismay
That our freedom of choice he was taking away;
But Edwin Meese thundered, "Who cares what they say?
"Only I can decide what is decent today."*

*Unswerved, Edwin Meese carried out what he'd planned,
Protecting the public from sellers of slime;
At 7-11's all "Playboys" were banned;
A couple of stores threw out "People" and "Time."
"I've seen," he declared, "what the swill-mills produce;
"Before I am done, I'll remove Mother Goose,
"As well as the Muppets, whose morals are loose;
"From there it's the Care Bears and then Dr. Seuss."*

*"The birthplace of smut," he proclaimed, "I have traced
"To video rock, which is filthy and lewd;
"Because it offends me, I'll have it erased,
"And, heavens to Betsy, I'm hardly a prude."
For lyrics obscene he continued to search,
While he cried in alarm from his high-minded perch;
The songs of Madonna he didn't hesmirsch
For fear, so he said, of offending the Church.*

*Some nosy reporters recalled how he stood
On minority rights, which he seemed to oppose;
But Edwin Meese bollered, "My record is good!
"All people are equal, as ev'ryone knows;
"My motto's 'Speak barshly, and swing a sharp ax';
"Before I am finisbed, they'll all get their whacks;
"No soul shall be spared from my righteous attacks,
"Whether misguided whites or degenerate blacks."*

*Just who's been behind him is somewhat in doubt;
When questioned, the President said with good cheer;
"I'm really not sure what the fuss is about;
"Get back to me later—like maybe next year."
And so Edwin Meese galloped onward with pride,
Uncovering porn with each earth-shaking stride;
Whatever the outcome, it can't be denied
He's taken the whole U.S.A. for a ride.*

YOUR BODY

1

Except for a hangnail and some excess ear wax, your body functions adequately for someone of your nationality.

YOUR MONEY

You learn too late that your Daily Horoscope is an unreliable investment guide. The interest on your VISA Card exceeds your salary.

2

Because of a fungal disease, hair sprouts from your ribs. A shattered kneecap ends all dreams of playing professional lacrosse.

Your tax accountant begs off, saying he "doesn't want to get involved." There are no buyers for your bowling trophies.

3

With no warning, you throw up four times a day on mixed company. Your only comfortable position is crawling on all fours.

Restaurants require you to put down a cash deposit before ordering. The word "Deadbeat" is imprinted by your bank on your personal checks.

4

Back spasms rack your body, ruining your plans for Arbor Day. Having no sense of smell, you are giving off a terrible odor.

Bleeding in an alleyway, you learn that loansharks are not good listeners. Your scheme to mortgage your children is unsuccessful.

5

You are rejected by your life-support system for not "playing the game." Your vital organs give out one by one and later will be sold, though at a substantial discount.

A bus driver refuses your IOU. You wrestle a bag-lady for territorial garbage rights.

YOUR PUBLIC IMAGE

Although you are not totally liked and often rub people the wrong way, your essential dullness still shines through.

YOUR SEX APPEAL

There is something about you no woman can resist, and one day you hope to find it.

You are trailed by a security guard while shopping for washcloths at a local K-Mart. Your camper is turned away at an RV park.

Two former girlfriends send you picture sex manuals on your birthday. Your dinner date takes along a pit bull as a chaperone.

No one knows who you are at a family reunion. Your minister requests that you change religions.

Dancers at a nude bar put on clothes when you enter. You see a sex therapist, who triples his fee after your first visit.

Large dogs use your leg as a hydrant. While taking your vacation, neighbors have your house towed away.

Along with a date, you get your first sniff of Mace. A supermarket checker washes her hands after touching your groceries.

You collapse on a downtown street and someone calls for a sanitation truck. Because of "prior commitments," your family can't make your funeral.

The manager of an X-rated theatre says you're giving the place a bad name. You scout funerals for new widows.

ALIENATORS

Ripley, we have another little problem. Our rescue vehicle from the mothership just auto-landed each of its 4,389 parts separately.

We're doomed! I'm scared! HELP!

Dudson, look at this little girl. She's been here with no weapons and no training and she's not afraid!

I know, but she has that doll's head! Kid, sell me that doll! I'll give you this rocket launcher for it! And take these grenades...

We found the plans to this complex. Now we have to find a way to keep the Aliens out of all of the tunnels!

How about a toll booth? EXACT CHANGE ONLY!!!

Or we could erase the tunnels from the plans! Then the Aliens won't have any to use!

It's a shame you two don't have any brains to use!

We need someone to sneak outside past the Aliens and use the satellite dish to call down another spacecraft. How about you, Bellhop?

Not Not Not Bellhop! Do you want to go instead, Burp?

Me? Hell no! But if we send the android and it's destroyed, it'll cost "The Company" a fortune to replace! I say we send the kid!

Ripley, I think you should have something to protect yourself. This is the Rambo-10 rifle, with grenades, back-up lights, pocket fishermen and optional red headband.

This should protect me against those Aliens!

I was thinking more of protecting yourself against me! I caught a glimpse of you in hyper-sleep. For a woman of 57 years plus, you sure looked good in those gray panties and top!

Aggh! Help, Help! Burp released this Alien so it would enter my body and he could smuggle it back to earth!

Why did you do it, Burp?

I had my orders! Big corporations like "The Company" have been smuggling illegal aliens for centuries! They're great cheap labor!
