You see, Reek! **Sphincter Lazload** is my husband! And was my husband even when we were in Paris! I thought he was **dead**, but he was **alive**!

I'm quite **emotionally moved** by this, Ulcer! Look, my upper lip is **almost curling** in the corner!

You're our **last hope**! You **MUST** give me those letters!

I **can't** do that!

The Reek of Paris... **HE** would have done it!

The Reek of Paris was **drunk**!

The Reek of Casabonkers is **drunk**!

He's **sober enough** to know that if he gives you the papers **now**, we don't have a **climactic final scene**!

Okay **NOW** you get the letters of transit!

Ulcer, you're getting on that plane with **Sphincter Lazload**, where you belong!

I'm doing this for a **noble cause**!

So that people everywhere can be **free**?

So that this can become a **CULT FILM**!

I... I don't understand!

But what about you? What about us?

A cult film? This **ordinary World War II story**? With this final scene that is shot **not** in Morocco, but in an airport in **Van Nuys, California**?!? **THIS** is going to be a cult film?

Maybe not today! Maybe not tomorrow! But soon, and for the rest of our lives!

A terrible crime has been committed! **Major Stresser's** been shot!

You kidding? Who cares about a **dead Nazi**? This is a crime of story structure! The heroine left a **charismatic bistro owner** for a dull freedom fighter!

Round up the usual suspects!

The leaders of the resistance movement?

No, the **hack writers** over at the Warner Studios!

This is the most **frustrating ending** in movie history!

Waiter, let me have a **double cognac**!

Drowning your sorrows because **Ulcer left**?

No! I'm **getting bombed** for another reason! I have this strange fear that someday, some fool is going to try to **colorize** this film!

Waiter! Make that a **triple cognac**... for both of us!

Mad Raps Up Shakespeare

The SOLILOQUY RAP from "HAMLET"

So what do I do when life's...a..bitch?
Should I be or not be—I don't..know..which!
Now you may..be..thinkin' I've gone..insane,
But you're lookin' at one mel-an-chol-y..Dane;
If I packed..it..in, I'd get lots..of..Z's;
And I wouldn't have to count my cal-o-ries;
I'd never have..to..worry what this cas-tle..cost;
Or 'bout losin' my..teeth because I new-er flossed;
There's just..one..hang-up that bugs..me..bub—
I could wind up dreamin' and there's the..rub;
Bein' dead..or alive—either way..I'm..screwed;
As you plainly can..see, I'm one mixed-up..dude!

The BATTLEFIELD RAP from "RICHARD III"

A horse! A horse! I need..one..bad!
And I know it's too late to place..an..ad;
A horse! A horse! That's all..I..need;
I'd swap..my..throne for a slightly used..steed,
Or a broken-down nag that pulls..a..plow;
I'd even con-sid-er a juiced-up..cow,
Or, fail-ing..that, a sheep..will..do;
I'd even look kindly on a kang-a-roo,
Or an ox or a camel or a slimmed-down..yak
Or a very large woman with a good..strong..back;
If I've nothing..to..ride, you have..my..word
You can say..good-bye to Richard..the Third!

MARC ANTONY'S FUNERAL RAP from "JULIUS CAESAR"

Hey, friends and Romans, Big Julie's been..hit,
So clean out..your..ears while I do..my..bit;
He was one..tough..dude—the town's..top..gun,
And for years in the charts was Num-ber..One;
But Brutus and his gang..said, "We'll wax..the..schmuck,"
So they took..a..stab and Big Julie..got..stuck;
Now I wantcha..to..know that they're sweet-ie..pies,
Even though some peo-ple think oth-er-wise;
Sure they disd..Big Julie, a-gain and a-gain,
But we know, the..swine are honor'ble men;
No, they're not..the..kind that we should..con-demn,
Though you wouldn't want your sis-ters to mar-ry..them;
And I'm not sug-gest-ing that you wax..them..too,
Even though it might..seem like the thing..to..do;
But if..you..should, and the rats..all..die,
If you need a new boss, then I'm..your..guy!

The BALCONY RAP from "ROMEO AND JULIET"

Juliet baby, you're chill...you're...rad!
If we got to-ge-th-er, we could make...it...bad!

Romeo honey, you've a real...smooth...line;
So what's the story—your place...or...mine?

Not so fast there, sweetie—let's...not...forget
I'm a Mon-ta-gue...you're a Cap-u-let;

You're the Number One stud in this wack-wack...town!
Let's get...it...on before our bods...cool...down!

Both families hate the oth-er's...guts;
If we tied...the...knot...they'd all...go...nuts!

If it busts...their...chops, they all...can...choke!
So hear...me...good—I ain't blow-in'...smoke!

You know that we'll wind...up...dead...of...course;

Well, dying's...no...kick...but it beats...di-vorce!

THE INJURIOUS IDENTIFICATION INTRIGUE

Hi, I'm Testy Truehead, Tracy's longtime faithful girlfriend! In the love department, Tracy's always been a little slow, but today I got some good news and some bad news! The good news is, he's taking me to the movies! The bad news is, we're going to see *Ishtar*!

My name's Kid! If I survive hanging out with Tracy I may change my name to "Adult"! I'm an orphan! My parents vanished! Maybe you knew them! They were named "Moose" and "Pop"!

I'm Bad Breathless and I work at the Club Zits! You might think I'd be turned off by Big Goy and his ugly henchmen, but I don't find them that bad! You see, I was once married to Sean Penn!

I'm Spumoni, alias James Coant! I'm hardly in the real movie, and I'm hardly on this page! Guess this isn't my big comeback after all!

A WARREN FOR HIS ARREST DEPT.

I'm Schtick Tracy, this city's number one crime fighter! I'm known for my yellow coat and my yellow hat! But mainly, I'm known for the yellow streak down my back!

SCHTICK TRACY

ARTIST: ANGELO TORRES

WRITER: DICK DEBARTOLO

I'm Big Goy! I'm into illegal booze, illegal gambling, smuggling, counterfeiting, shaking down small businesses and honking my horn in hospital zones! There's only one person that's not welcome here at my club, and that's Schtick Tracy! I told my bouncer to throw him out—of a speeding car!

I'm Off Keys, the piano player! I don't want to say Big Goy's club is ROUGH, but the most requested song here is TAPS!

I'm Flat Crop! I've got a level head for crime and I'm handy at parties! Let me point out a few of the other boys! There's String Bean Mouth, Broccoli Ear, Zucchini Nose, Radish Cheek, and Spinach Face! We might not be the brightest gang, but we're the HEALTHIEST crime syndicate ever!

I'm Shirley MacLaine, Warren Beatty's sister! But that's not all—at some point in my many lives, I've been ALL these other people!

WATERED-DOWN BAR DRINKS

FORGOTTEN PROPERTY

GERMY GLASSES AND CUPS

OVERCROWDING

...AND HOW TO SOLVE THEM

BAR DRINK ANALYZER

A few drinks can jack up your restaurant bill tremendously. You should at least get what you pay for—and this handy gadget makes sure you will!

GLASS AND CUP RIM CLEANLINESS DETECTOR

Glasses and cups may look clean but may not have been washed properly. With this detector you can avoid getting smeared with other's lip sludge!

AMBIENT SMOKE DISPERSER

Whether the smoke is coming from your dining partner or drifting over from the smoking section, this device blows it back to the perpetrator! Sends powerful stream of air forward, backward or both!

WAITER ATTENTION-GETTING FLARES

You can wave, you can yell, you can even throw a tantrum! If a waiter wants to ignore you, nothing helps—except these flares! Once they explode, your waiter will be scared to death and no longer capable of pretending he doesn't notice you!

STICKY-TABLETOP ELBOW PROTECTORS

If you've ever put your elbows down on invisible maple syrup residue, then you know how valuable and practical these protectors can be. Also guards against recent wet-wiping by bus boys using filthy towels that haven't been washed in years!

RESTAURANT HANDY CAR

DRIPLESS CUP SUPPORT

Beverages often arrive in saucers half full of spilled liquid. Unsuspecting diner lifts cup and drips fluid all over clothing. This little cup support puts an end to that pesky problem once and for all!

SURVIVAL KIT TRYING CASE

FORGOTTEN PROPERTY ALARM

Articles forgotten in restaurants are only recovered if they are worthless. This alarm clipped onto personal property will sound before you're able to leave!

ORDER RECORDER

Some waiters get downright nasty when told they brought the wrong order. With this handy recorder they're nailed and sheepishly get you the right food!

E-Z TABLE LEVELER

Nothing is more annoying than a tippy table. Sticking wads of paper, spoons, etc. under leg never really works. This device attaches to and cranks up any part of table that requires it!

UTENSIL STERILIZER CHECKPOINT

Battery operated utensil sterilizer is a tiny version of airport check-point. Germ-laden, unsanitary forks, spoons and knives set off irritating, high-pitched squeals that alert customers and the restaurant's owner into cleaning up his act—fast!

BESTROOM INHALATION SYSTEM

The clip air filtration system solves the problem of restaurant bathrooms that smell like sewers in Calcutta after an outbreak of dysentery. In back of tie is a charcoal filter complete with breathing tube and nose plug for normal, carefree inhalation!

INTIMACY PROTECTOR

To increase profits, restaurants are making tables smaller and cramming them together. This fan partition opens easily and slips between tables! Two are provided for times you're stuck in the middle. Folds to a space-saving six square inches in size!

THE FUTURE

Look at that bunch of nerds! I tell you, this school is a dumping ground for wimps and dorks!

Those kids? Are you kidding? They're the top students in the city! They're all in honors classes...science, math, computer technology...

Yipes! Do you realize that in a few years the world will be taken over by nerds, dorks, and wimps?

WIZARD of ODDS

Where am I? Who are you?

This is the Land of Odds! I'm Vanna, the Beautiful but Otherwise Not Too Gifted Witch of the West!

Who are all these people wearing designer clothes and showing off their Rolexes and implants?

They're Yupkins! They're happy because your house landed on Leona, the Greedy Witch of the East!

Who's the other one buried beneath that huge pile of shoes?

That's Imelda, the Greedy Witch of the FAR East! You knocked her off, too!

"Once... I had some crows to scare here;
The cornfields now are bare here,
Without a single coby;
Once my life... was abundant;
Now I'm what you call redundant,
'Cause I haven't got a job!"

"Sung to the tune of 'If I Only Had a Brain'"

Where's the farm? You may have guessed it;
The bankers repossessed it;
They're tougher than the mob;
It's a bitch... being 'idle,
And I'm feelin' suicidal,
'Cause I haven't got a job!"

Why didn't you put some money away for a rainy day?

I did—in a Savings and Loan that went belly up!

Look, I hate it here too! Come with me to see the Wizard of Odds in Ephemeral City! Maybe he can get us back to Kansas in 1939, and you can scare crows again!

Anything beats this! I'll just stuff myself together, and...

We're off to find the Wizard...

Something's alive in that land fill!

It's a Tin Man! What's he doing in such an awful place?

Where else can you go when you're unwanted?

"Once I was the king of metals
For pots and pans and kettles;
I'm now no longer 'in';
Here I rot... slowly rusting;
To the Yuppies I'm disgusting,
'Cause I'm only made of tin!"

They'd prefer me silver-plated;
With chrome they'd be elated,
But now I just can't win;
You can see... where it's got me;
I'd be happy if you shot me,
'Cause I'm only made of tin!"

"Sung to the tune of 'If I Only Had a Heart'"

I'm Tammy Faye,
the Tacky and
Unindicted
Witch of the South!
I'm here to show
you the PATH!

To the Wizard?

To salvation—depending, of
course, on the size of your
donation! Ten thousand dollars
plus your earthly goods will
save your soul for 48 months,
and, if you pay promptly, I'll
toss in my latest recording,
"Tammy Faye's Weepy Gospel Hits!"

Tell me,
Tammy Faye,
what
do
we
get
for
\$1,000?

Ten minutes of
pathetic sniveling
and a copy of
my new paperback
"God Wears
Padded Shoulders"!

And for \$50?

A quickie prayer
and a free
sample of my new
Hair Lacquer
and
Texture-Enhancing
Stucco for the
face and body!

Come back!
I'll save
you and
your little
dog, too!

Now I
definitely
want to
go back
to Kansas!

It could have been
worse! We could have
met Zsa Zsa, the
Over-the-Hill Witch
of the Coast!

Ephemeral City,
at last!

CRAPS! BLACKJACK!
SLOTS! MIRACLES!

Oh fabulous,
wondrous,
majestic Wizard—
can you work a
miracle and
transform our lives?

As ruler of the Land of
Odds, I transform people
all the time! Every day
10,000 people walk in here
with cash and savings!
By the time they leave,
I've transformed them
into debt-ridden paupers!

It sounds
like
you
don't
like
people
very much!

Au contraire,
my dear! They
make my life!
As you shall
now discover
in this
following
solo number...

"There are times I got the feeling
From all my wheeling-dealing,
The world is full of schmucks;
But the fact... is I love 'em,
'Cause I need so many of 'em
While I'm piling up the bucks!

All the papers are insisting
That pov-er-ty's existing;
I'm told it really sucks;
If it's true... well, so be it,
just so I don't have to see it
While I'm piling up the bucks!

"Sung to the tune of 'If I Only Had a Brain'"

O great Wizard, please use your powers so I can have a job again!

Jobs are for losers, Scarecrow! Get into junk bonds or phony real estate schemes! Or get control of a union's pension fund! Better still, become a televangelist! There's a world out there just waiting to be taken!

Well, that doesn't really sound fair or ethical, but I guess you know what you're talking about!

What about me, Wizard? send me back to a time when the world respected tin!

Not for you, big guy! You're gonna change your body to plastic! You won't rust, and, being non-biodegradable, you'll be around forever!

But I've heard that's bad for the environment!

Whose environment? Not mine, kiddo! Every sucker in this place carries plastic, which makes for easy credit, which makes for lots more money coming to me!

Gee, that sounds awfully selfish and inconsiderate of others, but I bow to your judgment!

Don't forget me, Wizard! If I remain in 1990, I'll wind up extinct!

Hermit! As long as you're the only lion alive, you'll be one of a kind, an instant celebrity! You'll make a fortune on public appearances!

That sounds like profiting from the misery of others, but you're the Wizard, so you must be right!

What about me, Wizard? I thought I'd find a kinder, gentler world here, but all I see is greed and glitz and nobody caring about anything! I want to go back to Kansas in 1939, and nothing you can say will make me change my mind!

How about this? Stick around and I'll put you up in a penthouse with a limo and ten grand a week in spending money! In a couple of years, after you fill out, you could be my steady bimbo!

Gosh, those sound like the words of a sexist oaf who only considers women to be property and cheap playthings! But I know you don't mean it that way, so how can I say no?

We're glad we found the Wizard—The fabulous Wizard of Odds! His good advice is worth any price; So what if he rips off clods?

He's making a fortune in rev-e-nues; He's raking it in... while suck-ers lose And lose, and lose, and lose, and lose, AND LOSE! And pays all his debts with L.O..U's! (Ziggidy, zoggidy, zoom!) We're glad we found the Wizard—The fabulous Wizard of Odds!

THE TROUBLING TRIBAL TRANSGRESSION

Years ago, your grandparents sharpened their social skills at etiquette school. By the time your parents needed training, such schools had generally disappeared, but one could still bone up by reading books by experts like Emily Post. Those books are out-

A MAD ETIQUETTE

WHEN TRYING TO PASS OFF PUBLISHED material as your own essay, always show polite respect for your teacher's intelligence by stealing obscure works of unknown authors. Submitting Lincoln's Gettysburg Address as your own writing may imply that you think the instructor is as dumb as you are.

GOOD ETIQUETTE requires that participants in a food fight confine themselves to throwing soft, messy items, such as cot-

ETHNICALLY OFFENSIVE jokes are rarely appreciated by the person whose nationality is the butt of the joke. Such jokes can often be made socially acceptable with a minor change, such as, "How many Aleutian Islanders does it take to change a light bulb?"

CASUAL SPORTSWEAR of a neutral shade is the preferred attire for visiting injured friends in the hospital. Wearing gang "colors" on such occasions may be thought impolite, especially if your gang was responsible for the injuries that led to the friend's hospitalization.

ALTHOUGH IT IS appropriate to worry about the possible theft of your unattended motorcycle, friends may still consider it rude if you ride into their living room without first asking permission. Your thoughtfulness will be especially appreciated in homes with white carpeting and antique furniture.

DECORUM DICTATES THAT YOU restrain your conversational ability when dealing with a mugger. Remember, he probably has fewer verbal skills than you do. Therefore, always confine yourself to short, simple comments, such as, "Anything you say," "You're the boss," and "There's another \$20 inside my shoe."

ALWAYS APOLOGIZE to a young lady's parents upon showing up for a date drunk. If you drink to such excess that your speech becomes too slurred to understand, have cards of apology printed up in advance for use on such occasions.

WHEN SERVING AS an "enforcer" for your neighborhood social group, always conduct yourself in a courteous manner. Remember, you will be the last person your victim sees until he regains consciousness, and he will treasure the memory of any small kindness shown to him.

GENTLEMEN SHOULD REFRAIN FROM CORRECTING young ladies who seemingly mispronounce dirty swear words. The girl may be using a new and different expression of filth that her companion has not been privileged to hear before, resulting in embarrassment for both parties.

GROAN WITH THE WIND

ARTIST: JACK DAVIS

WRITER: STAN HART

Miss Melonhead, there's one person at this ball I must dance with or life won't be worth living!

Is it Harlott or is it me?

Neither! It's that Rhetch Butler! He's just adorable!

Tell me, is Miss Melonhead as dull and dreary as she looks?

Well, you tell me! She once wanted to be a librarian, but she found that she couldn't handle all the excitement!

Miss
Harlott,
I'd
like
to be
your
beau!

Fiddle dee dee.
Stuart (areyton,
you're much too
mid-mannered
for a woman
like me!

Isn't there
something
I can
do to
impress
you?

Well, if you were faster
than a speeding bullet,
more powerful than a
locomotive, able to leap
tall buildings in a
single bound...

I'll
work
on
it!

What do they call it
when black folks work
for no pay, while
white folks get rich
from their labors?

In 1860, they call
it "Slavery"!
In 1990, they'll
call it "College
Basketball"!

I'm from Charleston,
South Carolina!
But that's all I'm
going to tell you
about myself!
I prefer to remain
a man of mystery!

The one thing that I
always remain a
mystery is that if
you're from South
Carolina, what
happened to your
southern accent?

Miss Melonhead,
I have a vague
feeling of
unease that I
can't really
put my
finger on.

Are you concerned that you're too frail and weak to ever become a success in life?

Could it be that you're worrying about losing your plantation because the price of cotton has fallen disastrously?

STILL More

Er	nā...
----	-------

Perhaps you're just worried about going off to war and getting yourself killed?

Well, no! Gee, Miss Melonhead, I never thought about any of those things before you brought them up! Now, I'm no longer upset! I'm suicidal!

always
like
to
be a
comfort
to a
friend!!

Ashtray.
I love
you! Why
can't
you
marry me?

Harlott,
you're so
delicate,
so soft, so
feminine...

You mean it wouldn't work out because we're so different?

Not Because we're
so much alike.

Great news!
War has
been
declared
between
the
states!

Hooray! Now we'll have our chance to maim or kill fellow Americans!

And be
mained
or
killed
by
fellow
Americans!

Mummy, we're seeing the end of the Southern Slave Society! Somehow, it seems a little sad to watch a long tradition die.

If he wants sympathy, he sure is talking to the wrong person!

When Astray married
Melonhead instead
of Harlott,
Harlott married
Melonhead's brother
just for spite!

I think
the
groom's
a doomed
man!

Why do you say that?

Because he's being played by an unknown actor and it's still too early in the film to tie Harlott down!

This is terrible!
I just look simply

...the computer
...the replacement

Oh, Harlott, Ashtray's coming home from the army on leave! I'll bet he's done something heroic to earn his furlough!

How heroic can you be in the Confederate Hairdressing Corps?

Let's make it like it was before the war! Let's all three of us be really close again!

I'm not sure I meant this close!

Miss Harlott, we've been asking for help for hours and you just ignore us! What do you call that?

The beginning of modern nursing care!

Things may seem bad now, but remember, the South will never go down in defeat!

Really? Well, I don't want to be around for another "victory" like this one!

Marry me, Harlott!

But I love Ashtray Wilts!

I'm twice the man he is which is still not saying much! Harlott, you're selfish and spoiled and hateful and the biggest hedonist I ever met!

Then why do you want me?

Because I'm the biggest masochist you ever met!

Miss Harlott, while you were away, the crops failed, the Yankees took all your family possessions, your mother died and your father lost his mind!

Is there anything else that you haven't told me?

Yes... welcome home!

LEONARD—PART SCHTICKI

I started reading MAD when I was eight years old, and I certainly never dreamed that some day I'd wind up in the pages of your magazine. But, thanks to my cameo appearance in "Grimlins Ptul," there I am. To have risen to such a position in life that I've been caricatured by Mort Drucker is pretty handy stuff! Thanks for all the great reading you've given me over the years. Please say hello to the "Usual Gang of Idiots" for me!

Leonard Malcin
"Entertainment Tonight"
Hollywood, CA

Leonard—We're glad you liked it, but when we asked Siskel and Ebert to review your appearance in "Grimlins Ptul," they gave it two thumbs down. Guess you just can't please all the critics!—Ed.

MOTION PICS AND PANS

I'm writing to thank you. Why? I thank you for publishing movie satires. They are always better than the original movies. They're funnier and a lot more creative. MAD saves me money 'cause I don't have to go to the movies!

Jeff Mirrone
Hulliser, CA

Jeffy—Save even more money—Read our TV satires and you won't have to buy a set!—Ed.

NEW KIDDING ON THE BLOCK CONTINUES!

A few weeks ago I had the good (or bad) fortune to meet a member of the New Kids on the Block. I asked him about what he and the rest of NKOTB thought of "The MAD New Kids on the Block True or False Personality Quiz" in issue #296. They loved it! He said, "You know that you're a success when you get satirized in MAD!" I am 35 and I still enjoy your magazine. I have since I was seven! When my 12-year-old brother's subscription runs out in April '92 I plan on renewing it!

Robert Foley
Holly Hill, FL

OOOOH! Lucky stiffaroony you! We've never had the pleasure and honor of meeting a New Kid up close and personal, though we'd certainly love to! So if you're reading this, Julie, Jan, Justin, Don and Drury, drop by the MAD office!—Ed.

I was shocked by the foul and immature language that filled half the letters page in issue #298, but enough about your editorial comments! I was also shocked by a young woman's letter in which she said that she and her friends were going to burn copies of issue #296 because it contained a New Kids on the Block satire. You will be happy to know that as a response to their actions, my friends and I got together and burned copies of issue #298! That'll show 'em!

Jim Stobies
Damascus, MD

Burning Issues 296 and 298?? What's next, Super Special #501! Due to the actions of extremists like you, we are now demanding passage of a Constitutional Amendment prohibiting the burning or destruction of MAD magazines in any way! We urge you to write your Congressman today!—Ed.

SPIELBERG'S-EYE VIEW DEPT.

Mega-Director/Producer and MAD fan Steven Spielberg recently got some good news and some bad news. The good news was he received a selection of MAD issues featuring satires of his great motion pictures! The bad news was that they were hand-delivered by our own Dave Berg! Moments later, Steven announced his retirement from the movie business. Coincidence??

BIG MAD ON CAMPUS

Jason Levine of Sands Point, NY, sent us this photo he snapped at the annual Greek Week banner competition at the University of Michigan in Ann Arbor! It was made by the KAPPA ALPHA THETA Sorority and the CHI PHI and ZETA PSI fraternities. After seeing the banner, we have to wonder: Did Jason say it was "Greek Week" or "Geek Week"? Fal

A DRUNKEN SPELL

On the back cover ad parody in issue #298, you failed to include "Absolut illiteracy," which would be aimed at those responsible for proofreading your issues prior to publication. A-b-s-o-l-u-t-e is the correct spelling!

Paul Degardins
Moore, OK

And the correct spelling of "Idiot" is i-d-i-o-t! Thanks for writing!—Ed.

ENVIRON-MENTAL CASES

When I received my subscription copy of MAD #298, not only was it a great issue, I was glad to see that instead of being wrapped in plastic, it was wrapped in paper! Thank you for making the change. MAD is no longer just garbage... It's environmentally safe garbage!

Mari Frank
Golden Valley, MN

Thanks! MAD has always been a crusader, working to protect our delicate ecosystem. In fact, we've been recycling the same 16 jokes for years!—Ed.

After reading MAD #297's poem "The Oil," I realized that you are really decent, sensitive and caring human beings who are deeply concerned about the environment!

David Farre
Mayaguetz, PR

Thanks! MAD has always been a crusader, working to protect our delicate ecosystem. In fact, we've been recycling the same 16 Letters Page responses for years!—Ed.

START YOUR OWN FILM LIBRARY! That's right, why rent movies at a video store for one or two dollars and watch them just once, when you can buy those same movies from our video club for eighty-nine dollars and watch them just once!

THERE'S NO MEMBERSHIP FEE FOR JOINING! It's fulfilling your membership obligation to us that will cost a fortune! You have over 2,500 titles to choose from. Movies you've seen over and over again on HBO and Showtime. Films that have been repeated on network and local TV countless times. Flicks that they show during baseball game rain delays! They can all be yours for many times their actual cinematic value, so you know you'll always treasure them!

IT'S BARE! You'll be required to buy six* movies at our regular club prices, which range from \$29.95 to \$99.95, although movies that were shot with a camera and live actors start at \$19.95. We also offer a wide variety of lower-priced videocassettes, including a \$19.95 selection of Turkish movies that for some reason were dubbed into Portuguese and have Indonesian subtitles.

HOW THE CLUB WORKS: Almost every four

days we send you our Video Club Magazine, in which we present, discuss and budget you into ordering the movies we're desperately trying to unload. These "Special Unlabeled" movies frequently play back at the same speed they were meant to be shown (if they are "Super Deluxe" versions that will save you time, since many key scenes have been shortened or cut out entirely).

CHOOSE ONLY THE TITLES YOU WANT! We'll put those titles on whatever cassette we happen to have lying around, and send them to you immediately! Nothing could be easier—for us!

HALF PRICE BONUS PLAN! If you fail to receive a movie you ordered from us, we'll only bill you for half the price! And, you'll be allowed to order that movie again and again! And we'll keep billing you at only half price until you finally receive it or give up hope—whichever comes first.

WOM! Thrill to screen epics like *Ben-Hur*, *Lawrence of Arabia*, and other classic movie the way they were meant to be seen—as a small screen with a three inch speaker! Don't delay!

*or a number that has a six in it.
