GOT MAD?

A single reading of MAD provides none of the nutrients your body needs to grow. MAD isn't a source of calcium, and it won't give you strong bones or healthy teeth. Nor will it prevent viscosity breakdown, soothe the painful burning of athlete's foot, stop the growth of bacteria that causes plaque, turn any power drill into a handy screwdriver, or give you a cleaner, more comfortable shave...and it's definitely not a proven itch fighter.

MICKEY MOUSE COMMENTS

As a loyal Disney fan who grew up watching the movies and cartoons, and now at age 23 appreciates Disney more than ever, I found your "Disney-fied Versions of Adult Films" (#350) absolutely sick, nasty and revolting. Disney films are not "hiring, bloated versions of classic fairy tales and stories that are 'cutsey' and 'disorienting'." They are full of love, beauty, comedy, drama and excitement, not to mention wonderful songs and delightful animation. Also, Disney films always have a meaningful message while still being very entertaining. They're fun for the whole family and can be enjoyed by adults as well, not just children. I find nothing funny about people saying horrible things about something beautiful like Disney films.

Lora Lee Jessome
Nova Scotia, Canada

Lora Lee — We are humbled. We hang our mouse-eared heads in shame. Thank you for sharing with us your unqualified devotion to and unwavering support and love for everything Disney. If any other Southern Baptists want to write in as well and share their warm, fuzzy feelings about Disney, feel free! It's a small world after all, Goofy! —Ed.

MAD NUMBLINGS @aol.com

THE SCHMUCK STOPPED HERE

As these photos illustrate, this season's premiere of *The Simpsons* ("The Simpsons in New York") was marred when Bart made an impromptu trip to the MAD office. We had heard he might stop by, which is why we depicted him standing at MAD's front door in the border art on the cover of issue #360 (see, you gotta pay attention, you never know what you'll find in the border)! It was nice of Bart to visit, we just hope this doesn't give those turny-nosed pip-squeals from *South Park* any ideas!

VIRTUAL PET PEEVES

You guys totally messed up! Obviously you did no research for the cover of MAD #362. Instead of the gun pointing to the head of the virtual pet, you should have a pencil pointing to the "kill it" button. Also, a square on a virtual pet must be either fully black or fully blank. The icons are on green or red pawprints and that is the wrong angle for all icons to show.

Elissa Nelson
Bayside, CA

Nellie — You're right! We DID point the gun in the wrong direction! You follow? —Ed.

HOW TO REACH US

Please Address Correspondence To: MAD, Dept. 365, 1700 Broadway, New York, New York 10019. MAD welcomes reader submissions. Manuscripts will not be returned or acknowledged, however, unless they are accompanied by a self-addressed, stamped envelope!

CORRECTION

In issue #362 the writer of *Spy Vs. Spy* was Peter Kuper. Like you care!

ATTENTION SUBSCRIBERS!

For all subscription-related matters (including change of address), in the U.S. and Canada, please call 1-800-4 MAD MAD or write P.O. Box 33245, Boulder, CO 80533-3345! Please DO NOT phone, write, fax or e-mail our New York office — we're too dumb to help you there!

YOU WANT FLIES WITH THAT?

In "Restaurant Reviews for the Finicky Fly" (Issue #362) you mention Thomas Jefferson Jr. High. I'm a 7th grader there and I agree with the article on the food!

Dave Trubilly
Woodridge, IL

Davey — We're glad you liked it! We're sure Thomas Jefferson Jr. High's distinguished principal Lisa Mondale will be thrilled to see one of her students wasting valuable academic time writing to MAD about the disgusting food in her school's cafeteria! See ya in detention! —Ed.

Christmas! The time of year when family members gather around the hearth to bond and express love and good cheer whilst the smell of pine trees and freshly baked goods wafts throughout the loving household. Yeah, right! Maybe in a Norman Rockwell painting! But not in any American family we've seen lately! These days it seems most family members can barely stand to be in the same room with each other, let alone exchange gifts and pleasantries! And so it is with these pathetic, screwed-up Americans in mind that we now present...

Christmas Carols FOR Dysfunctional Families

It Started With a Glass of Beer

(Sung to the tune of
"It Came Upon a Midnight Clear")

*It start-ed wi-ith a glass of beer —
The way that it so often does;
Soon Fred had knocked off a pint of rye,
And Marge had one helluva buzz;
The yell-ing started 'round half past nine,
The slaps and the punches at ten;
The screams grew loud and the neighbors knew
The Sweeneys were at it again.

His eyes were bla-ack from countless blows;
Her body was bloodied and raw;
His nose was broken — he'd lost four teeth
From stopping a vase with his jaw;
They've loathed each other since God knows when,
And neither shows any remorse;
They'll stick together because they know
The Church won't permit a divorce.*

Hark! The Gossip Fills The Air

(Sung to the tune of
"Hark! The Herald Angels Sing")

*Hark! The gossip fills the air —
Mom's begun a new affair;
Sneaking off to get her ki-icks —
Down the road at Motel 6;
Filled with mid-life lust and hunger,
Ev'ry year she likes them younger;
Who'd have thought her days she'd spend
Gett-ing it on...with my best friend!
Shack-ing up for days on end —
Gett-ing it on...with my best friend!*

Rudy the Deadbeat Father

(Sung to the tune of
"Rudolph the Red-Nosed Reindeer")

*Rudy the deadbeat fath-er
Won't support his fam-i-ly —
Dooming his wife and children
To a life of pov-er-ty.*

*Rudy enjoys the good life —
Takes a Roy-al Princess cruise;
Makes it with busty bim-bos —
Drinks the most ex-pen-sive booze.*

*When the law got on his trail,
Rudy changed his name;
Grew a moustache and goatee,
Had some plastic sur-gor-y.*

*Rudy the deadbeat fath-er
Loves the glitter and the glow;
If he had on-ly known it,
He'd have split ten years ago!*

ARTIST: TOM BUNN

WRITER: FRANK JACOBI

Uncle Claude is Coming to Town

(Sung to the tune of "Santa Claus is Coming to Town")

*You better lock up
The kiddies today;
A lusty old gent
Is heading your way —
Uncle Claude is coming to town!*

*He's got a big smile;
He's giving out toys;
He's hot as can be
For underage boys —
Uncle Claude is coming to town!*

*He's such a jolly fellow;
He's always full of fun;
He'll lure your kid
In-to his room
For a game of "One on One"!*

*And should he strike out,
He doesn't much care;
The Internet's filled
With kiddie-porn there —
Uncle Claude is coming to town!*

(Sung to the tune of
"Winter Wonderland")

See my dad
Roll the dice there;
With his luck
Cold as ice there;
He doubles his bets
As well as his debts;
Ev'ry week he drops
another grand.

Yesterday they repossessed
our Taurus;
Dad's now cashing out his J-K-A;
Things are even worse for
Cousin Horace —
Beaten up by bookies he
can't pay.

Christmas Eve —
There's no tree here;
Folks are gone —
There's just me here;
They're trying once more
To make a big score —
You can bet they'll drop
another grand!

(Sung to the tune of "Deck the Halls")

Fill the house with jubilation!

JAMES BOND VILLAINS' PET PEEVES

ARTIST: DREW FRIEDMAN WRITER: DESMOND DEVLIN

Should have spent the extra \$50,000 for the off-shore hideaway WITHOUT the "Destroy Entire Island" button.

Before they'll allow the deduction, the IRS demands proof that you use your 1,800 foot shark tank exclusively for business purposes.

Every time you and your criminal organization finally learn to recognize 007 on sight, they send a new James Bond with a totally different face!

JAMES BOND VILLAINS' PET PEEVES

With all of Bond's hidden devices and micro-gadgets, you're too paranoid to work the friggin' coffee machine in the morning!

Between the guy with the metal teeth, the guy with the metal hands and the guy with the metal hat, it takes absolutely forever for you and your henchmen to get past airport security!

Your psychiatrist has told you and told you that always keeping Bond alive so you can tell him your secret plans is "a spiraling self-destructive pattern," but you just can't help it!

Nowadays, when you threaten to detonate a 15-megaton bomb in Washington D.C., the FBI tells you to "get in line."

Melvin & Jenkins'

GUIDE TO SPORTSMANSHIP

Jenkins

lives by one athletic credo: "It's not whether you win or lose, but how you play the game."

Melvin

puts his stock in, "Kill the testicles, and the head dies."

Jenkins

notices a flaw in his opponent's bowling grip, and offers a few tips that have always worked well for him.

Melvin

agrees it's the weirdest thing, but swears he doesn't know HOW grape jelly got inside everyone else's finger holes.

Jenkins

jumps over the tennis net to shake the hand of his opponent after losing a good match.

Melvin

hires two goons to jump his opponent in the parking lot.

Jenkins

doesn't care how many fools run onto the field after a big win — he knows a fan's proper place is in the stands.

Melvin

sneaks in a bag of his own baseballs to chuck at players' heads, so he'll still have his promotional giveaway ball as an alibi when he's questioned by security.

Jenkins

lets his opponent take back an ill-considered move.

Melvin

is permanently banned from the Chess Club for his non-stop taunts of "Na na NA NA, na na NA NA, HEY, HEY, HEY, GOODBYE!"

Jenkins

gives his fellow players a newfound confidence when he calls them by nicknames like "Lionheart," "Killer" and "Rocket."

Melvin

doesn't much care that his former teammates will be forever psychologically scarred by such haunting nicknames as "Snaggletooth" or "Dingleberry."

Jenkins

spends two hours shredding scrap paper so he can throw confetti out the window when the victory parade passes by.

Melvin

soaks all the phone books and yellow pages in water overnight so they'll fall faster.

Jenkins

after accidentally injuring an opponent, meets with him later to make sure there are no hard feelings.

Melvin

still chuckles about the time an inadvertent whistle allowed him to blindside a guy so bad, the snort bubble in his nose was pulsing like a bullfrog's neck.

That's a start!

Yes! I want you to know that in the SEALs there is equal opportunity mistreatment!

Thank you! That's all a woman like me could ask for, sir!

She has to! This is a major test to see if she can succeed after all those other fiascos and failures!

No, mostly the failure of her previous missions — *Striptease* and *The Scarlet Letter*!

It's Christmas time! A time of joy! A time of cheer! A time when slobbering, over-sexed males allow their hormones to run wild at the office holiday party! But all you horny guys puckering up under the mistletoe in the hopes of

Office Christmas MISTLETOE

SECTION 1: DEFINITION OF PARTICIPANTS

A) This agreement is for the sole purpose of delineating and defining the responsibilities of the involved participants before kissing under the mistletoe at any office holiday party.

B) Henceforth, the competent overworked woman shall be known as "KISSEE" and the oversexed male-laser co-worker or boss shall be known as "KISSER."

SECTION 2: KISSEE'S STATEMENT OF INTENT

A) KISSEE hereby agrees to participate in the ancient yuletide custom of touching lips with a male person under the mistletoe, despite the fact that it is a practice originating in far less enlightened times by a society of piggishly domineering men who treated women any way they pleased without fear of reprisals, review boards or lawsuits up the wazoo.

B) KISSEE is entering into this Agreement for the purposes of promoting company unity and displaying the socially expected holiday spirit only. Her participation shall not be construed in any manner as an attempt or desire on the Kissees part to initiate or become in any way involved in an office romance, office tryst and/or office "quickie."

SECTION 3: KISSEE'S OBLIGATIONS

A) Providing that the KISSER upholds each of his obligations as outlined below in Section 4 of this Agreement, KISSEE agrees not to slap KISSER with a sexual harassment lawsuit, or to complain to his boss or supervisor, spouse, girlfriend(s), mistress or the media. In addition, KISSEE agrees not to play any sadistic or mean-spirited tricks on KISSER she may have learned from watching *Fatal Attraction*.

B) In the event KISSER fails to comply with any part of his obligations as outlined below in Section 4, KISSEE may seek and take revenge in any way she deems appropriate, which may include, but shall not be limited to, breaking any or all of the promises made above, slapping the KISSER in the face, kicking the KISSER in the gonads and/or administering the "Bobbitt Treatment."

getting a little action are in for the shock of your lives! Because now women have something far more powerful than Santa Clause to keep you from being naughty! This year, before the holiday face-sucking begins, you can expect to be presented with MAD's...

stmas Party AGREEMENT.

SECTION 4: KISSER'S OBLIGATIONS

- A) KISSER shall not engage KISSEE in kiss for longer than 10 seconds.
- B) KISSER shall not introduce his tongue into KISSEE's mouth, nor shall he attempt to suck KISSEE's tongue into his mouth.
- C) KISSER shall not brag to colleagues or friends about "getting it on" with KISSEE afterward.
- D) KISSER shall not attempt to remove garments of KISSEE, nor shall he remove his own garments — not even if it is "Dress Down Friday."
- E) KISSER shall cease and desist if at any time during the kiss the KISSEE becomes visibly nauseous.
- F) KISSER shall not place mistletoe on, above or near any parts of his body in the hopes of getting them kissed.
- G) KISSER shall not require or expect KISSEE to moan, pant, quiver or show any signs of arousal or affection, nor shall he start an office rumor that she is a lesbian when she fails to do so.
- H) KISSER shall not re-create the mistletoe kiss in cartoon form and pass it around the office, nor shall he make such a re-creation on the men's room wall.
- I) KISSER shall not take KISSEE's participation as proof that "what she really wants" is to be pulled into the copy room for the purpose of producing homemade pornography on the Xerox machine.
- J) KISSER shall not before, during, or after the kiss, bark like a dog, make slurping sounds, or make any tasteless remarks such as, "Suck face, you Secretarial Slut," etc.
- K) KISSER shall never address KISSEE at any time as "Mistletoe Mama," "Lover Lips," "Party Patootie," etc.

SECTION 5: SIGNATURES OF PARTICIPANTS

By affixing his name in the space provided below, KISSER agrees to all terms as indicated above, and shall make no attempt to weasel out of this Agreement by claiming he was drunk, "only joking," or merely mollifying "another hysterical female with PMS" at the time of his signing.

MONROE &

He's been mocked, beat up, forced to drink bong water and suffered through his parents' divorce. And that was but a mere warmup for the horror that lies ahead in his latest adventure - the dreaded smell of old people!

Grandma Ellie!
Grandpa Joe!
Uh...it's me,
Monroe.

Shhhh!!!

Heaven's sake, Monroe.
It's 7:30 P.M. You'll wake

O'night,

is a big day!

You boys

Where
are we
going?

Just pipe down
and keep your mouth shut.
There's some people I want
you to meet.

This here is my good
friend, Turk. Turk, this is my
Grandson, Monroe. Monroe likes
to wear girls' jewelry.

Oh, no.
Not one of
those....

You still got
them old boxing
gloves, Turk?

Is he
okay? I
barely
touched
him!

Ah, I'm
disputed
with both

Monroe, it's
dinner time!

Cough!
Cough!
I think I'm

This is an

Maybe Mr. Rockefeller here thinks we should be spending more money on him, huh?

No, it's not that, it's...

Good! Now hide some of this meatloaf in your pocket and don't let the cashier see you!

You have to understand, dear, your grandfather and I lived through the Depression.

I know, you've told me a zillion times.

Ellie, show your grandson some pictures.

And here's Grandpa when he was your age, Buck when he used to sell potato peels to the whole neighborhood.

Oh no! He looks just like...like ME!

That's right! And when you get to be his age, you'll look just like him!

Where's my damn camera bag, already?

Well, young man, I guess it's time you learn your chores. Fetch me the corn oil!

NOOOOOOOO!!!

Moooo... wait! Where are you going?

Hey look, he brought salmon!

MAINTENANCE

ECOLOGY

Hey, Art! I heard you quit your job as a Park Ranger! How come?

It was too stressfull! Whenever I saw an endangered animal eating an endangered plant, I didn't know what to do!

GENERATIONS

I don't understand you kids of the nineties! You wear your pants down to your ankles, you run around in gangs and you mark up your bodies with tattoos and piercings!

Explain to me how you can do that to yourselves!

Okay...

...but first tell me about you kids of the sixties and all the pot you smoked, the LSD you dropped and those ugly bell-bottoms you wore!

COMPETITION

What a mess! Playing cards scattered all over the floor! What happened? Wait! Don't tell me, I know!

You beat your father at Go Fish again, didn't you?

DILEMMAS

You call those problems? Listen to what I have to deal with! I'm gay, my wife is a lesbian and my daughter had an abortion!

Nothing you've mentioned seems so out of the ordinary, Phil!

THERAPY

Dr. Forman, last night I dreamt that you were my mother! Isn't that ridiculous? It shook me up so much that I couldn't sleep the rest of the night! So there I was at four in the morning having breakfast!

Hmm, that's interesting! What did you eat?

Toast and coffee!

Toast and coffee? You call that a breakfast? You're a growing boy!

Hardly a day goes by that you don't read an article by some beneheaded academic claiming that Americans are getting dumber and dumber. To this, we at MAD politely say, "bullsh*t!" In fact, we're of the exact opposite opinion. We think that Americans know more information than ever before. It's just that they know different kinds of information — stuff that is infinitely more important and relevant to their lives than the crap that impresses beneheaded academics! So, if you don't agree once you peruse the results of our exclusive survey which proves beyond a shadow of a doubt that...

GREATEST HITS

This week on *At The Movies* we're going to take a bit of a departure! We're not going to trash any big-budget movies starring egomaniacal, stuck-up pretty boys — but don't panic! We'll be returning to that format next week! I'm Gene Siskel of the *Chicago Tribune*!

And I'm Roger Ebert of the *Chicago Sun Times*! Today's show will consist solely of the amateur videos shot by and starring the common slugs in our viewing audience! It's a special edition of our program called...

TRASH HOME MOVIES

Our first home video is *Bobby Glantzburg Learning To Ride A Bike*, and it's filmed in the distinctive style of his Uncle Ted, who just loves to use the zoom lens for no apparent reason! Personally, the constant zooming made me nauseous, and had me longing for an industrial size bottle of Dramamine, but anyway, let's take a look...

Owl Uncle Ted, I hurt my knee!

Don't be such a crybaby! That's nothing compared to what they did to me in *Nani*! Now get up and ride that thing again! You can do it, champ!

SEPT. 10

If you feel like you've seen this before, you're right! It's a carbon copy of Uncle Ted's earlier works, *Bobby Learning To Crawl* and *Bobby Learning To Walk*! Instead of just cutting his knee, I think the video would have been much better if Bobby broke or dislocated it! Thumbs down for me, Genie!

Thumbs up for me, Roger! I found myself rooting for Bobby the entire time, and as far as the injury, it's an appropriately painful one for a kid his age! I found his story inspirational! Like Cuba Gooding Jr.'s role in *Jerry Maguire*!

I'm just tired of the little punk succeeding! Why not have him fail for once? Or, at least have the cut get infected to add some drama to the story!

Well, I for one have thoroughly enjoyed watching Bobby's saga, and I can't wait to see the video of him getting lucky with his girlfriend ten years down the road!

Our next video is called *Traditional Italian Wedding* and stars Arturo and Catherine Tomaso as the happy couple! The tape starts off in charming fashion as we see them at the altar receiving their vows!

Do you Arturo, promise to love, honor and obey Catherine till death do you part?

Yeah, yeah, sure, whatever!

At first I was impressed by the unique camera angles being utilized by Catherine's cousin Luigi! But as the tape went on I realized it wasn't artistic inspiration, but rather a drunken stupor that caused Luigi to film in this loquacious manner! By the time the wedding guests began to dance the Macarena it was obvious that Luigi was totally smashed!

This video was a major disappointment for me! Not only were Luigi's camera angles distracting, but not once did he film the buffet or even the dessert cart! That's always the best part of a wedding! Thumbs way down for me, Gene!

Come on, this was a great video with fascinating characters! I especially liked Arturo, who I thought was one of the most macho screen personas I've ever seen! By the end, when they handed him the knife, I didn't know if he was going to use it to cut the cake or plunge it into the caterer's chest!

By the end of this video I wanted to plunge a knife into my own chest!

I know just how you feel! I've often wanted to plunge a knife into your chest myself!

Moving right along, our next video is one of the most touching and heartwarming I've ever seen, for it depicts the miracle of life! Shot by her loving husband Dan, we're allowed a peek at the tender scene as Sue Withers Gives Birth!

Drop the damn camera you idiot and hold my hand! What the hell did we take those @*%*-ing Lamaze classes for if you're not going to help, you moron! Where's the @*%*-ing doctor!? I want a sedative! I want a @*%*-ing sedative!!

Notice how the tension builds in this memorable scene between Sue and her good-natured obstetrician!

WED. 10/11

AHH! Give me DRUGS, give me DRUGS! Dope me up NOW, or I'll sue, you quack! I feel like Sigourney Weaver in *Affairs*!

You heard her, nurse! 50cc of Demerol! And make it stat, she's got my windpipe!

WED. 10/11

These are only a few of the very poignant moments in this video! The close-up of the needle going into Sue's spine for the epidural was clearly an homage to the "needle scene" in *Pulp Fiction*! I say, thumbs up!

And I say, thumbs down! Nothing could have saved this video — even if the kid came out sounding like Bruce Willis in *Look Who's Talking*! It was the most disgusting, gross and vulgar display I've seen since we last had dinner together! And even though I'd usually reprimand you for giving away the ending like you just did, I found it so trite and anticlimactic it doesn't even matter!

Really? I'm surprised you weren't thrilled to see someone on camera with even less hair than yourself!

So that concludes our special show on home videos! Join us next time when we review Steven Seagal, Jean-Claude Van Damme and Sylvester Stallone in the highly anticipated movie, *Three Violent Dumb Guys*!
